When young, beautiful Cassie Jensen arrives unconscious to the intensive care ward at St Catherine's hospital after being struck in a hit and run while out walking her dog, chief nurse Alice Marlowe thinks she looks familiar. She starts digging deeper into Cassie's relationships only to discover something about her patient that she'd been keeping secret from everyone, including her devoted husband and family. Soon Alice finds herself obsessed with her patient's past and future, even willing to put her own career on the line in her single-minded search for answers. Frank, a patient on the same ward who has locked-in syndrome, can hear and see everything around him but cannot speak. Soon he comes to understand that Cassie's life is still in danger. While the police continue to look for clues, only Frank holds the truth, but he's unable to communicate it.
