injustices as women splashed on the covers of magazines and in advertisements based on their sex appeal sometimes to promote nothing more than their looks Within *Behold the Man* you ll find topics that relate to the reasons for and effects of male beauty standards such as aspects of male beauty from Ancient Greek ideals to how it is visualized throughout history in art the vision of the ideal male along with sexual connotations in advertisements for clothing cologne sunglasses automobiles and shaving products the emphasis of strong well built males and their bodies in movies music videos and literature how men alter their bodies by dieting and cosmetic surgery to achieve the look found in advertisements today s growing numbers of male eating disorders caused by the notion that only good looking muscular men are acceptable reasons behind the exploitation of the male body and the double standards for male beauty found within gay male communities how advertisers and authors faithfully follow the bigger is better theory from pectoral and bicep muscles to penis size Recognizing how society has created and changed the appearance of the ideal male this text explains to you the danger men of all ages face who feel they need to be physically handsome to be desirable From *Behold the Man* you ll learn about the real messages of advertising and media the problems they cause and that true self worth cannot be measured by physical attributes *Fluxus Vision* Allan Revich, 2007-01-23 Over 100 pages including 50 full page visual poems and accompanying Fluxus instructions Visual poems are poems for the eyes and are meant to be seen rather than heard The instructions are like little haiku mind games
