Adams, 2016-03-01 The murder of a student reopens a series of cold cases in this intriguing mystery A young student is found brutally murdered in her room killed while her flatmates slept nearby The police soon recognize that this is frighteningly similar to a crime committed fifteen years before A crime investigated by the now discredited Detective Inspector Joe Jackson but never solved Other deaths linked to the same modus operandi and stretching back more than twenty years have also remained unsolved No link has been found between the victims but it seems Joe Jackson had a perpetrator in mind He had however been unable to prove his guilt Can the new investigation trust the judgement of a man who was himself a killer Or did that give Naomi Blake's one time friend and mentor an insight his colleagues did not have *Kaleidoscope* Kelly Wiese, 2022-08-01 Is it possible for a simple childlike toy such as a kaleidoscope to give hope clarity and meaning to all of the broken and shattered pieces of your life In *Kaleidoscope* Kelly Wiese deconstructs this simple yet complex toy by using each piece to illustrate how God is constantly at work beautifully and carefully orchestrating a masterpiece with every aspect of your existence In this unique and thought provoking Bible study you'll be challenged to see things from a fresh new perspective through the use of scripture Bible stories and real life experiences Kelly Wiese will walk you through each of the parts of a kaleidoscope shedding new light on how each piece can help you to see beauty in your life and current situations that may seem painful or confusing otherwise She then goes into depth discussing ways to stay connected and focused on God that will give you
