Zacharias Tane Fomum,2022-05-10 You are where your choices have positioned you The Narrow Way is not written to steal

your assurance of eternal life It is a groundbreaking masterpiece that exposes the lie that the Christian faith is a mere transaction based on momentary sentiments and sincerity Although the new life starts with a decision many soon forget that after the decision there is a journey called the Christian walk After entering through the narrow gate there is the narrow way a different way a Jesus way which is a direct opposite of the natural way There are two pathways open to each believer in the pursuit of the Christian walk namely the lower and upper pathways What are the obvious signposts on these two pathways What does the daily life on each of these pathways look like This book is a description of the narrow way and how to avoid its pitfalls It will compel you to work out your own salvation with fear and trembling which in fact is the life of a truly converted person The Narrow Way is the pathway of those who have chosen power through purity and holiness as opposed to those who have chosen to tread on the natural way through compromise sin the love of the world and self sparing We send this book out with prayer that the Lord will use it to realign your walk with God and service for Him through deliberate and consistent choices of the crucified life
