Covered Glory Audrey Frank, 2019-08-20 Hiding behind the Muslim woman s veil is a heart longing for honor but often covered in shame Meeting her will transform us all Muslim women are coming out of hiding and telling their stories With courageous voices they disclose tales of shame and a fierce desire to be valued We hold our breath as they whisper accounts of Jesus dressed in light coming to them in dreams offering honor in the place of shame freedom instead of oppression Their tales narrate a secret reality for all of us We all long to be known to be valued to be rescued We all are in desperate need of a Savior In *Covered Glory* you will meet Muslim women living in a culture with an honor shame worldview that perpetuates their shame As you discover how these women find freedom when they uncover their true identity you will find that shame affects each one of us Learn that while shame tells us we are unworthy truth tells us we were made to be loved shame tells us we are nobody Jesus tells us You are somebody to me shame tells us we are broken God s Word tells us healing comes from him It is only when we begin to understand the honor shame gospel that we are set free And so is our Muslim neighbor when we learn to tell her of the love of Jesus in a language she understands the language of honor and shame
