Erin Radkey's life has altered completely since her Change made her one of the Unbounded. Yet she has learned the hard way that some things never change. Greed. Over the centuries the long lived Unbounded have divided into two groups the Emporium who craves money and power and will do anything to achieve its ends including experimenting on its own people and the Renegades who protect humanity. Power. Now the Renegades are close to discovering a cure that will save many dying mortals and the husband of Erin's closest friend is first in line to receive the formula. But Emporium agents will stop at nothing to destroy the cure until they realize the research might be exactly the weapon they've been searching for. Love. Erin's new abilities are tested as she and fellow Renegades fight the Emporium in a struggle that soon becomes all too personal and where lines of loyalty are blurred by relationships of the past. Everything is at risk including the lives of her friends and the love of Ritter Langton the Renegade Unbounded who both infuriates and excites her. From the busy streets of Portland to the jungles of Mexico. The Cure is a page turning urban fantasy that will keep you riveted until the end. Praise for the UNBOUNDED series: Enough paranoid twists and turns to keep the reader turning pages, the author has clearly thought through the nuances of the story's theme and engineered a few surprising plot twists that elevate it above the level of the average thriller. Publishers Weekly: Excellent and well written, I recommend reading the entire series. Thoroughly enjoyable. High action and adventure. Teyla Branton belongs right alongside Patricia Briggs, Kim Harrison, Jennifer Estep and Kelly Armstrong. Unbounded Series: 1. The Change, 2. The Cure, 3. Protectors (which contains Ava's Revenge, Mortal Brother and Set Ablaze), 4. The Escape, 5. The Reckoning, 6. Lethal Engagement, 7. The Takeover, 8. The Avowed. More coming in 2022.

Except rehab suggests killing people bothers me. It doesn't. Neither am I particularly committed to anything other than not being caught. That sounded a shred on the hard-hearted side. I'm not I'm a lot like you I get up every morning clean myself up and check my phone to see what I have cooking. Everyone has a job. Mine happens to be ridding the world of people who shouldn't be here. Not that I'm making those decisions. People hire me and I trust they've done their homework. I've always been different never had a close circle of friends or even associates. Once I discovered I could do unusual things I kept to myself. Those rare skills make me a perfect choice because I kill from a distance and leave no evidence. What I do is lucrative. I'm

pretty much set even for my rather long lifetime In theory I could quit anytime I say that after every job That I should walk away except I don t Tell you what Don t judge me and I might spare you if your number comes up on my dance card Deal
