Ministry of John the Baptist Matthew 11 1 14 399 Part Two Appendix 1 Questions Answers 419 In Christianity today the most frequently discussed issues are salvation from sin and the indwelling of the Holy Spirit However few people have precise knowledge of these two ideas despite the fact that they are the two most important concepts in Christianity What is worse they cannot find any biblical writing that clearly teaches us about the issues mentioned above There have been lots of Christian authors glorifying the gifts of the Holy Spirit or describing the Spirit filled lives But any of them doesnt dare to deal with the fundamental question How can a believer surely receive the Holy Spirit Why Surprising truth is that they couldnt write about it in full scale because they didnt have exact knowledge of it As Prophet Hosea cried out My people are destroyed for lack of knowledge nowadays not a few Christians are drawn into religious fanaticism hoping to receive the Holy Spirit They believe that they will receive the Holy Spirit by reaching a state of frenzy and hysteria But it is no exaggeration to say that their so called faith reduces Christianity to mere shallow Shamanism and that such fanaticism derives from Satan The author Rev Paul C Jong dares to proclaim the truth He deals the essential subjects in full scale which most spiritual writers have evaded for a long time He first defines the meaning of being born again and the indwelling of the Holy Spirit and explains the inevitable relationship between the two pivotal concepts Then he runs the whole gamut of description concerning the Holy Spirit from how to discern the spirits to the way to Spirit filled lives If you would like more sermons that accurately explain the Word of the Bible including the contents of this book we strongly urge you to check out the free e books and audiobooks provided on The New Life Mission website The New Life Mission <https://www.bjnewlife.org>
