Masterless Men

Eldon Drodge

Masterless Men:

Masterless Men Keri Leigh Merritt, 2017-05-08 Analyzing land policy labor and legal history Keri Leigh Merritt reveals what happens to excess workers when a capitalist system is predicated on slave labor With the rising global demand for cotton and thus slaves in the 1840s and 1850s the need for white laborers in the American South was drastically reduced creating a large underclass who were unemployed or underemployed These poor whites could not compete for jobs or living wages with profitable slave labor Though impoverished whites were never subjected to the daily violence and degrading humiliations of racial slavery they did suffer tangible socio economic consequences as a result of living in a slave society Merritt examines how these masterless men and women threatened the existing Southern hierarchy and ultimately helped push Southern slaveholders toward secession and civil war

Masterless Men A. L. BEIER, 2023-10-02 Masterless Men 1985 examines the nature of vagrancy in Tudor and Stuart England an issue that many contemporary authorities regarded as their most serious social problems It looks at why vagrancy was felt to be such a threat to the stability of the country and the steps the authorities took to overcome the problem

Kerrivan Eldon Drodge, 2001 In the mid to late 1700 s a group of desperate men mostly deserters and escaped prisoners as well as indentured men and boys who had run away from their fishing masters secluded themselves in the wilderness on the Southern Shore of Newfoundland s Avalon Peninsula Led by Peter Kerrivan himself a deserter from the British Navy these renegades predominantly Irish established their hideout on or near The Butterpot a small mountain about nine miles inland from Ferryland Defying the law and evading all attempts made to capture them they survived on the great caribou herds that roamed the barrens and by raiding the fishing settlements along the coast Known as the Society of Masterless Men their legend is one of the most exciting and daring in Newfoundland s rich and colorful past

Explaining the English Revolution Mark Stephen Jendrysik, 2007-01-01 Explaining the English Revolution studies the years 1649 to 1653 from regicide to the establishment of the Cromwellian Commonwealth during which time English writers took stock of a disordered England stripped of the traditional ideas of political moral and social order and considered the possibilities for a politically and religiously reordered state

Reparations and the Theological Disciplines Michael Barram, Drew G. I. Hart, Gimbiya Kettering, Michael J. Rhodes, 2023-10-10 Historically many churches and theologians defended and supported race based slavery and subsequent forms of racial hierarchy and violence The essays in Reparations and the Theological Disciplines argue that it is urgent that the theological disciplines engage the issue of reparations by revisiting Scripture and our theological traditions The time is now for remembrance reckoning and repair

History of Crossroads in Early Modern Culture Bill Angus, 2022-01-05 Focusing on the crossroads in the early modern period this book deals with the literature and history of the physical crossroads it s magical and religious encounters rituals of transformation binding of undesirable spirits siting of gallows associations with music and links to ancient cosmology Physical crossroads have been culturally vital sites where forces human demonic and divine were felt to converge

Crossroads have seemed to render the boundaries between these spheres negotiable subject to certain artifice and timing They gave access to gods and facilitated deals with devils they were potent sites for rituals intended to influence lovers or harm enemies and provided both a dramatic stage for communal activities and a burial ground for the unwanted dead cast out in ceremonies of the night

Tracing Your Poor Ancestors Stuart A. Raymond,2020-05-30 Provides a wealth of information about people who have gone through debt collectives hospitals bankruptcy crime homelessness the list is huge UK Historian Many people in the past perhaps a majority were poor Tracing our ancestors amongst them involves consulting a wide range of sources Stuart Raymond s handbook is the ideal guide to them He examines the history of the poor and how they survived Some were supported by charity A few were lucky enough to live in an almshouse Many had to depend on whatever the poor law overseers gave them Others were forced into the Union workhouse Some turned to a life of crime Vagrants were whipped and poor children were apprenticed by the overseers or by a charity Paupers living in the wrong place were forcibly removed to their parish of settlement Many parishes and charities offered them the chance to emigrate to North America or Australia As a result there are many places where information can be found about the poor Stuart Raymond describes them all the records of charities of the poor law overseers of poor law unions of Quarter Sessions of bankruptcy and of friendly societies He suggests many other potential sources of information in record offices libraries and on the internet Packed with incredibly useful reference information which no family historian should be without The Essex Family Historian

Neighbourly Relationships in Early Modern Drama Iman Sheeha,2025-09-30 The book offers the first sustained examination of neighbourly relationships in early modern English drama situating the close analyses of the selected plays within contemporary prescriptive literature such as sermons and conduct books letters diaries pamphlets ballads wills proverbs as well as the lived realities of early modern neighbourhoods as glimpsed in the historical and legal archives The originality of the book lies in its topic in the plays chosen for analysis including Gammer Gurton s Needle written in the 1550s and believed to be the first printed vernacular English comedy and in the revisionist close readings on offer The plays span the period between 1550s and 1620s belong to different genres and were aimed at different audiences and written for different kinds of playhouses allowing for conclusions to be drawn about the way genre shapes the treatment of neighbourly relationships as well as revealing continuities and changes in this treatment over the period under study

The World Tomorrow Norman Thomas,John Nevin Sayre,Anna Rochester,Devere Allen,Kirby Page,1925

The State and Social Change in Early Modern England, 1550-1640 S. Hindle,2000-03-02 This is a study of the social and cultural implications of the growth of governance in England in the century after 1550 It is principally concerned with the role played by the middling sort in social and political regulation especially through the use of the law It discusses the evolution of public policy in the context of contemporary understandings of economic change and analyses litigation arbitration social welfare criminal justice moral regulation and parochial analyses administration as manifestations of the increasing role of the state in

early modern England The Chronicles of America Series ,1919 **The Boss of Taroomba** Ernest William
