Materiality And Society:

Materiality And Society Dant, Tim, 2004-12-01 This book examines the relationships between society and material culture the interaction between people and things Tim Dant argues that the traditional approach to material culture has focused on the symbolic meanings of objects largely overlooking the material impact that objects have on everyday life in late modernity

Six Essays on the Materiality of Society and Culture Håkon Glørstad, Lotte Hedeager, 2008

Architecture, Materiality and Society Anna-Lisa Müller, W. Reichmann, 2015-05-27 This book examines the extent to which the insights of STS can be used to analyse the role of architecture in and for social life The contributions examine the question of whether architecture and thus materiality as a whole has agency The book also proposes a theoretical and methodological approach on how to research architecture's agency

Media Technologies Tarleton Gillespie, Pablo J. Boczkowski, Kirsten A. Foot, 2014-01-24 Scholars from communication and media studies join those from science and technology studies to examine media technologies as complex sociomaterial phenomena In recent years scholarship around media technologies has finally shed the assumption that these technologies are separate from and powerfully determining of social life looking at them instead as produced by and embedded in distinct social cultural and political practices Communication and media scholars have increasingly taken theoretical perspectives originating in science and technology studies STS while some STS scholars interested in information technologies have linked their research to media studies inquiries into the symbolic dimensions of these tools In this volume scholars from both fields come together to advance this view of media technologies as complex sociomaterial phenomena The contributors first address the relationship between materiality and mediation considering such topics as the lived realities of network infrastructure The contributors then highlight media technologies as always in motion held together through the minute unobserved work of many including efforts to keep these technologies alive Contributors Pablo J Boczkowski Geoffrey C Bowker Finn Brunton Gabriella Coleman Gregory J Downey Kirsten A Foot Tarleton Gillespie Steven J Jackson Christopher M Kelty Leah A Lievrouw Sonia Livingstone Ignacio Siles Jonathan Sterne Lucy Suchman Fred Turner
