Nana's Hog Larry Dane Brimner, Children's Press, 1999-03-01 For use in schools and libraries only Although people think her behavior improper Nana rides a hog through town **Nana's Caribbean Alphabet** C.C. Fergus, 2015-10-27 Do you like visiting your grandparents Are there new things you learn from them when you visit Anna Barry and Carllie had a very healthy trip eating exotic fruits and vegetables in the Caribbean as they went to see their grandpa and grandma Find out how wonderfully they spent their time in that tropical paradise You too can learn the delightful and delicious things they learned on their exciting vacation in Nana's Caribbean Alphabet and maybe you can tell your grandparents something new for a change **Kidstery** Steven Schneiderman, 2016-02-18 Kidstery By Steven S Schneiderman Kidstery is the delightfully illustrated adventure of Madison Maddy and Justin The two pre teens have adventures at the zoo while fishing and with beginner sports They are confronted with problems that require logical solutions They are also confronted with contemporary issues and exposed to philosophical differences Readers will come to see that what is the daily norm for some is also a source of wonderment for others As Maddy and Justin learn understanding does not always come in an instant Sometimes comprehension requires reflection *Long John Silverback and the Island of the Perfect Pearl* Hugh N. McGoose, 2015-01-25 A young girl named Nana follows her intuition to discover the truth about her island the predicament of its diverse and once industrious community of animals and a mysterious but powerful character that emerges from the sea

Saddles & Sawdust Ann Eden, 2017-01-25 This is a true story about the adventures of the author and her family on their cattle ranch and sawmill in the early 1950's It is compelling because this family left an opulent lifestyle in Vancouver B C where the author's parents were business and social leaders On the ranch they adapted to a life with no electricity no telephones or any city conveniences They learned that milk came from cows not the grocery store that lanterns actually gave light without plugging into the wall that sometimes it was so cold gasoline wouldn't burn The most compelling part of this story was the author's mother a glamorous lady who soon learned to swing an axe rope cattle milk cows drive a lumber truck and become a sawyer on her husband's sawmill the fancy lady from Vancouver who looked like a Vogue model and became a legend The story tells about a traumatic injury to the author's mother a missing child an association with a wanted felon cattle rustlers marauding wildlife forest fires blizzards and missing parents Its also a love story that began in England between two people who gave their children simple values to appreciate nature and respect wildlife to value their ranch animals especially the horses who always brought them safely home and to appreciate the devotion of their dog a collie wolf mix an animal who thwarted danger more than once Read and enjoy the incredible adventures of this amazing family
