You're satisfied with the way things turned out but the thought of saying goodbye to those characters just hurts. You want to keep the magic going. In this book you learn how to pick from four elements of fantasy fiction that will turn even the thinnest sliver of an idea into a concept a novel can be built around. You'll learn about points of view and which characters should have it why structure is both important and overrated. Pantsers vs Plotters tips and tricks and more [The Fifth Magic](#) Brian Rathbone, Epic Fantasy with Dragons The stars have gone. Long dormant relics bask in the light of a hundred comets restoring magics of a previous age. Objects inert for eons become dangers and tools no one can ignore. The use of these artifacts will put everything at risk all the while providing the greatest opportunity for human advancement in history.
