Salinger's The Catcher in the Rye** Josef Benson,2018-03-12 A fascinating examination of J D Salinger and his landmark novel The Catcher in the Rye Since its publication in 1951 The Catcher in the Rye has been a cultural phenomenon not only as an assigned text for English courses but as a touchstone for generations of alienated youth But who was J D Salinger and how did he come to write a novel whose impact continues to resonate with millions of readers In J D Salinger s The Catcher in the Rye A Cultural History Josef Benson examines the legacy of an elusive author and his work After exploring how the novel reflected Salinger s tortured psyche Benson discusses how the book made an impact on generations of readers from 1960s counter culture youth and followers of the Black Power movement of the 1970s to the disenfranchised teens of the Reagan era and the celebrity fixated masses of the present day In addition Benson unravels the mystery behind Salinger s reclusiveness the effects the novel had on the reading public who adored it and why three American assassins cited the novel as an inspiration J D Salinger s The Catcher in the Rye also considers why this work of fiction has been among the most widely taught and most frequently banned books of all time By looking at the novel as both an artifact of the 1950s as well as a living testament to the turmoil of teenage angst this book provides a riveting discussion of one of the most enigmatic novels and authors of all time *College Mystery Novels* John E. Kramer,1983 **Crime of the Century: Classic Rock and True Crime** Angie Moon,2024-03-28 Crime of the Century is a comprehensive book about

classic rock's connections to true crime cases with over twenty true stories of classic rock musicians and their encounters with murderers and musicians who committed murders. Inside the book you'll find the most famous stories like how The Beach Boys met Charles Manson and how Phil Spector went from legendary producer to convicted murderer. There are stories of how classic rockers encountered some of the most notorious serial killers like The Kinks meeting John Wayne Gacy on their 1965 American tour and Debbie Harry allegedly getting into Ted Bundy's car in the early 70s. You'll see how the Manson Family's classic rock connections run deeper than you thought with their encounters with Neil Young, John Phillips, Tony Valentino, Phil Ochs, and Frank Zappa. You'll also learn how classic rockers were only a few degrees of separation from presidential assassinations and attempted assassinations like The Band meeting Jack Ruby, Squeaky Fromme pursuing Jimmy Page, and John Hinckley's encounter with DEVO and how they used the poem he wrote for Jodie Foster as song lyrics. It's a wild and crazy ride through classic rock history. But believe it or not, these are all true stories.
