Benfari, 1995-06-15 An organizational psychologist helps readers learn to overcome such liabilities as confronting problems dealing with conflict and learning new skills by evaluating and changing their management style He identifies 16 personality types and 15 workplace motivators that together shape a manager s style and explains how to modify one s style to fit a particular corporate culture Middle Management Survival Guide Kevin Robert McMahon, 2008 Middle Management Survival Guide is intended to be a survival guide for anyone who calls him or herself a middle manager All too often the wisdom that flows to the middle managers of this world descends from the lofty heights of academia By point of contrast Middle Management Survival Guide c flows from the trenches where middle managers carry out their craft It is a book grounded in common sense and aimed at creating a world view and mindset for middle managers that will enable them to better combat the daunting forces arrayed against them From the perspective of a middle manager this survival guide describes the impossibility of the workplace and the paucity of the tools traditionally available to managers Most importantly this book provides specific strategies attitudes and values that will help managers maintain balance and sanity while improving their overall performance as managers The author has worked as a middle manager for the past twenty years

Tasting both the sweet fruit of success as well as the bitter gall of failure he has acquired a unique insider's view of the daunting task faced by those who call themselves middle managers *Beating Plowshares Into Swords* Paul A. C. Koistinen,1996 Koistinen describes how an undeveloped preindustrial economy forced Americans to fight defensive wars of attrition like the Revolution and the War of 1812 By the time of the Mexican War however a gradually maturing economy allowed the United States to use a much more offensive minded strategy to achieve its goals The book concludes with an exhaustive examination of the Civil War a conflict that both anticipated and differed from the total wars of the industrialized era Koistinen demonstrates that the North relied upon its enormous economic might to overwhelm the Confederacy through a strategy of annihilation while the South bungled its own strategy of attrition by failing to mobilize effectively a much less developed economy *The Future of Governing* B. Guy Peters,2001 Examines and compares various forms of government in industrialized countries Middle Management in Mental Health Stephen L. White,1980 **Service Organization Productivity Management** H. David Sherman,Society of Management Accountants of Canada. Research Studies Committee,1988
