Managers Guide To Sexual Orientation In The Workplace:

A Manager's Guide to Sexual Orientation in the Workplace Bob Powers, Alan Ellis, 2014-02-04 For the first time ever managers will have a tool that will enable them to effectively grapple with the controversial and sometimes explosive issues surrounding sexual orientation. Cultivated from Bob Power's 25 years business experience with some of the world's finest organizations, *A Manager's Guide to Sexual Orientation in the Workplace* provides managers with the knowledge, skills and resources to foster higher productivity and performance through an all-inclusive work environment.

Sexual Identity on the Job Alan Ellis, 1996 *Sexual Identity on the Job: Issues and Services* explores the meaning and the lives of lesbian, gay, bisexual and transgender people in the workplace in both theoretical and practical perspectives. It highlights issues being confronted by employers and workers alike. The editors and contributors courageously grapple with dilemmas and passionately discuss issues ranging in subject matter from multiple cultural and undervalued identities, trends in economic discrimination, economic reasons to provide domestic partner benefits, education needs of decisionmakers and career concerns, as well as career counseling concerns of lesbians, gay, bisexual and transgender employees. This thoughtful book reveals how discrimination on the job affects the lives of all employees and provides an exceptional view into the psychological issues faced by lesbian, gay, bisexual and transgender people related to employment issues.

The Advocate, 1995-11-14 *The Advocate* is a lesbian, gay, bisexual, transgender, LGBT monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Reader's Guide to Lesbian and Gay Studies Timothy F. Murphy, 2000 A guide to existing academic literature on issues, persons, periods and topics important in lesbian and gay studies. With a focus on book-length studies, English entries offer a very brief introduction and a more detailed overview of the secondary literature, including the relative merits of each source under consideration. While the overall arrangement of entries is alphabetical, other means of access include a booklist, general indexes, cross references and a thematic list. African American culture, AIDS, art and artists, Asian studies, biological sciences, lesbian and gay culture, education, family, gender studies, history, law, literature, media studies, medicine, music, performing arts, politics, psychology, philosophy and ethics, and others.
