Faculty in Community Colleges Desna L. Wallin, 2005-01-15. The employment of adjunct faculty is often what allows community colleges to offer excellent yet affordable education; however, this group is often deprived of the professional development and basic amenities enjoyed by their full-time colleagues. Academic administrators are those charged with hiring and supervising adjunct faculty, and this book provides them with examples of successful programs that highlight the important connection between teaching quality and effective hiring orientation, acculturation, and professional development practices for their constituency. These models come from community and technical colleges across the United States and can be implemented into any two-year system. Through the use of research case studies and hands-on how-to guides, checklists, and samples, this volume's expert contributors explain how to understand part-time faculty, how to motivate them, and value them as members of the academy. They go on to offer practical advice for recruiting, integrating, supporting, and retaining these great teachers.

The Law of Higher Education, 2 Volume Set William A. Kaplin, Barbara A. Lee, 2013-07-25. Make sure you have a copy on your bookshelf. Over 3,000 new cases related to higher education have been decided since the publication of the previous edition, and scores of changes to higher education law are made each year. Every section of the fifth edition contains new material, including those related to hate speech and free speech rights of faculty in public universities; sharing of research with international colleagues; intellectual property and peer-to-peer file sharing; student suicide; campus safety; police and administrators' right to search students' residence hall rooms; governmental support for religious institutions and religious autonomy; rights of individual public institutions; collective bargaining and antidiscrimination laws; nondiscrimination and affirmative action in employment, admissions, and financial aid; family and medical leave act; and workers' compensation.
