Manitobas French Language Crisis A Cautionary Tale:

Manitoba's French-Language Crisis Raymond Hébert, 2004 Raymond Hebert analyses Manitoba's French language crisis in detail and considers its local and national implications. For nine months in 1983 and early 1984, beginning with a protest by French-speaking Manitobans who had received parking tickets written only in English and ending with a legal compromise that made Manitoba all but officially bilingual, Manitoba endured charged demonstrations, grimly fought plebiscites, and legislative filibustering. Towards the end of the crisis, legislative paralysis set in and the government itself ground to a halt. Hebert argues that far from being a spontaneous populist movement, the crisis was largely manufactured by a few individuals, some of whom were in the Legislative Assembly itself. Hebert considers various theoretical models to explain aspects of the crisis and concludes that the authoritarian personality model is the most relevant. Right-wing authoritarianism exists everywhere, and he argues, under proper conditions, especially demagogic leadership, can provoke populist explosions of racist and prejudiced sentiment, and hence the cautionary nature of this Canadian tale. *A History of Human Rights in Canada* Janet Miron, 2009 Human rights, equality, and social justice are at the forefront of public concern and political debate in Canada. Global events, especially the war on terrorism, have fostered further interest in the abuse of human rights, especially when sanctioned or perpetuated by democratic governments. This groundbreaking contributed volume seeks to shed light on this topic by uniting original essays that examine the history of human rights in Canada. Contributors explore a variety of themes integral to the post-confederation period, including immigration and ethnicity, gender, sexuality, class, disability, state formation, and provincial-federal relations. Three key issues emerge throughout: incidents of discrimination in both government and society; the efforts of human rights and civil liberties activists to create a more open and tolerant society; and the implementation of state legislation designed to protect or enhance civil rights. *Manitoba Law Journal: Underneath the Golden Boy 2018 Volume 41(1)* Bryan P. Schwartz, et al., Underneath the Golden Boy series of the Manitoba Law Journal reports on developments in legislation and on parliamentary and democratic reform in Manitoba, Canada, and beyond. This issue has articles from a variety of contributing authors, including Bryan P. Schwartz, Darcy L. MacPherson, Richard H. Helmmoltz, Jennifer L. Schulz, Richard Jochelson, David Ireland, John Burchill, Gerard J. Kennedy, Virginia Torrie, Ben Wickstrom, Yassir Alnaji, and Constancia Smart Carvalho. **The ^AOxford Handbook of the Canadian Constitution** Peter Oliver, Patrick Macklem, Nathalie Des Rosiers, 2017-08-10 The Oxford Handbook of the Canadian Constitution provides an ideal first stop for Canadians and non-Canadians seeking a clear, concise, and authoritative account of Canadian constitutional law. The Handbook is divided into six parts: Constitutional History; Institutions and Constitutional Change; Aboriginal Peoples and the Canadian Constitution; Federalism; Rights and Freedoms; and Constitutional Theory. **Keep True** Howard Pawley, 2011-03-15 Howard Pawley, former Premier of Manitoba, 1981-88, led the province during one of the most turbulent periods in its history. Elected at the outset of a serious national recession, his government successfully implemented social

democratic policies that ran counter to the neo conservative trends that dominated the period including job creation labour reform and human rights legislation But his greatest challenge was over French language rights an explosive two year debate that left the province badly divided and embroiled in the complicated maneuvering between the national government and Quebec separatists The political and public fallout from the French language issue echoed through Manitoba's subsequent negotiations with the federal government over a bid for a lucrative CF 18 fighter jet contract through the implementation of the Free Trade Agreement and again during the stormy Meech Lake Accord debates In *Keep True A Life in Politics* Pawley takes us into the inner workings of his government during this controversial period He gives us a vivid play by play of the events acknowledging what went right and what went wrong while putting it all into a contemporary context Along the way he offers insight on campaign management choosing a cabinet appointing public servants and leading by consensus while describing how the principles of Canadian agrarian socialism shaped his political vision *Canada*,
