Manny The Bear:

Manny the Bear Barry R. Stabile, Ivan Bolyard, 2006-01-20 This story started out a few years ago as a result of one man's anger and frustration over so much of the countryside being destroyed for tract housing and shopping malls. Initially written for little ones, this tale was intended to encourage an interest and appreciation for the environment and animals. However, the story soon grew to include friendship, loss, despair, and finally unending love. It is a story for children of all ages. So come along and take a journey through a wonderful world of animals as they struggle against the forces of modern society. On the way, you will meet two very special children who want to change what they see as wrong in their part of the world. Please join them as they try to protect the animals who became their new best friends. As in most adventures, at first things do not always go as we would like and darkness seems to be our constant companion. But by day's end, we usually find some rays of sunshine. In the story of Manny the Bear, friendship involves sacrifice and sorrow but eventually gives way to awareness, hope, and discovery.

The Forever Friends Gina Lynne, 2014-09-25 Manny the little brown bear longs for a friend. But not just any friend. He longs for a Forever Friend. He wishes for a friend he can play with and laugh with and dance and sing with. He wishes for a friend he can share all his happy thoughts and all his sad thoughts with. Find out what happens when Manny rescues a little white rabbit from a hunter's trap. Then follow them on their adventures as they happily explore their forest neighborhood. He looked at his new friend with wonder and said, "And I don't even know exactly WHY I was laughing." Oh, she said. I was just so happy to be free and so relieved you didn't want to eat me that I just started laughing. Eat you? Oh no! Oh yuck! Oh gross! No way! said Manny Bear in a very shocked voice. Yuck! What do you mean YUCK? the little white rabbit asked in a huffy tone. Don't you think I would taste good? What's wrong with me? I am not gross or yuck! Then, realizing it might sound as if she were inviting him to have a taste, she changed her mind. In a tiny voice, she said, "Never mind. I'm sure I must taste just awful anyway." The little white rabbit sat up and offered her tiny paw to Manny Bear. He took it very gently in his much bigger paw. She said, "My name is Missy Rabbit and I am very pleased to meet you. Thank you for saving me." Then they looked at each other and began to laugh all over again. By the time they finished laughing, they were the best of friends. They were Forever Friends.

The Automobile Green Book, 1930 **Collier's**, 1927 **Bears on Bears** Ron Jackson Suresha, 2002 A candid examination of gay male subculture called bears who, for the uninitiated, are gay men who are defiantly uninterested in society's ideal of physical appearance. Instead, they celebrate the fact that they are often large, never shave their body hair, and don't give a damn about what fashions are in style. They often drive trucks as well. Challenging thought provoking and often humourous, this is a penetrating study of an often marginalised gay culture, albeit one with a lot of members.
