Mans Cookbook The:

The Man's Cookbook Earl Melton, 2008-01 Moving out on your own for the first time can be very scary for a lot of young men. This is not because we are afraid of being alone. We are men which means we are probably not going to think that far ahead. I am thirty four years old and still miss Mommaas cooking. Our parents spend our entire lives preparing us for the day we move out and start our own adventures but typically donat give us the skills to prepare a simple meal. You need no cooking skills for my cookbook so join me brothers and let me introduce you to your kitchen.
