Grant, 2016-08-27 **Numerical Secrets of the Bible** Casper J. Labuschagne, 2016-07-20 Were you intrigued but disappointed by The Bible Code Numerical Secrets of the Bible written by one of Europe's leading biblical scholars gives you the actual facts about one of the most important recent discoveries in the field of biblical study namely that the books of the Bible are numerical compositions The biblical writings were not written in an off hand manner but were meticulously composed according to compositional techniques in which the counting of words played a crucial role This discovery has far reaching consequences for our views on the formation and the structure of the text of the Hebrew Bible and of the Greek text of the New Testament Labuschagne introduces you to the fascinating world of number symbolism in biblical times He demonstrates how well known symbolic numbers such as 7 and 12 and especially the lesser known holy numbers 17 and 26 which represent the numerical value of the name YHWH were used to give structure to the text and to deepen its contents Among other fascinating findings this study confirms the medieval Jewish tradition that the name of God is interwoven in the fabric of the text of Holy Scripture **The Numerical Bible** Frederick W.

[The Mysterious Numerical Bible Code and Other Revelations](#) Lawrence D. Shawbrooks,2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially

prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight

Charles Stockford Jr.,2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study **The Numerical Bible: The Gospels** ,1904
