Nursing Assessment:

Nursing Assessment M. J. Viljoen, 1988 *Health Assessment in Nursing* Janet R. Weber, Jane H. Kelley, 2013-11-14

Innovative systematic and user friendly *Health Assessment in Nursing* has been acclaimed through four previous editions for the way it successfully helps RN level students develop the comprehensive knowledge base and expert nursing assessment skills necessary for accurate collection of client data. Maintaining the text's hallmarks in depth accurate information a compelling Continuing Case Study and practical tools that help students develop the skills they need to collect both subjective and objective data the Fifth Edition now features an exciting array of new chapters a greater focus on diversity and health assessment through the lifespan over 150 new illustrations more than 300 new photos of actual registered nurses and nurse practitioners performing assessments and an expanded array of teaching and learning tools **Nursing Assessment (Speedy Study Guides)** Speedy Publishing, 2014-07-03 A *Nursing Assessment Guide* is a comprehensive work to outline the procedures nurses use to properly assess patients to determine a patient's needs and apparent state of health. It provides a clear blueprint of procedures to follow and outlines the most practical order to follow them. Proper technique is described in detail and it has illustrations and diagrams for doing things the correct way for the comfort of the patient and good assessment of possible problems. It is a helpful reference for clear and concise charting *Health & Physical Assessment in Nursing* Donita T D'Amico, Colleen Barbarito, 2015-03-31 For beginning level courses in baccalaureate and associate degree nursing programs that cover health assessment or physical assessment such as *Fundamentals of Nursing Practice* and *Introduction to Concepts of Nursing Practice*. This text is also suitable to supplement courses in *Medical Surgical Nursing*. Cover the key health and physical assessment skills that students need to think like nurses. Health then demonstrate their skills and finally practice and test their knowledge. Assessment is presented holistically so that the latest principles of health promotion and client education are integrated alongside crucial concepts related to wellness communication and culture. The authors bring the material to life with hundreds of outstanding images as well as engaging case studies and activities that help readers visualize the nursing process. Also available with MyNursingLab. This title is also available with MyNursingLab an online homework tutorial and assessment program designed to engage students in the *Fundamentals of Nursing* course and improve results. Its guided learning path is proven to help students think like a nurse as they move beyond memorization to true understanding through application. NOTE You are purchasing a standalone product.
