Managerial Experience

S Ben Porath

Managerial Experience:

The Effect of Managerial Experiences on Strategic Sensemaking Daniel Kauer, 2008-02-29 Daniel Kauer studies the effects of managerial experiences on the strategic sensemaking of top management teams He shows that it is very important to distinguish between the depth and breadth of managerial experience as these discrete dimensions have different effects on strategic sensemaking on the individual as well as on the organizational level While diversity represents a team's potential to be successful in strategic sensemaking the team must realize this potential through effective interaction Therefore the author also analyzes decisive interaction factors and describes how teams can best leverage their members' experience
