Managing Fiscal Decentralization:

Managing Fiscal Decentralization ,2002 **Pakistan** Rashid Amjad,Shahid Javed Burki,2015-04-13 This book discusses the fundamental constraints that need to be overcome to move the economy of Pakistan to higher growth **Tax Systems and Tax Reforms in South and East Asia** Luigi Bernardi,Angela Fraschini,Parthasarathi Shome,2007-01-24 This book examines the present status recent tax reforms and planned tax policies in some South and East Asia countries since the 1990s The evidence is presented in a user friendly manner but at the same time uses technically sophisticated methods The main countries studied are China India Japan Malaysia South Korea and Thailand It is unique for being the first systematic treatment of the topic hitherto the information available has been widely dispersed and difficult to access It should prove to be a natural companion to two previous books on taxation published by Routledge and also edited by Luigi Bernardi **IMF Macroeconomic Research on Low-Income Countries** International Monetary Fund,2004-01-30 Summarizes the for ward looking analytical work program on macroeconomic issues related to the Poverty Reduction Strategy Paper approach The program is evolving through a process that began with a technical workshop participants from low income countries donors academia and civil society drafted guidance on selected issues and identified priority research topics Partners policymakers and economic scholars are encouraged to share their perspectives and findings through respective team leaders whose e mail addresses are provided The publication also summarizes IMF analytical work and contains a bibliography of nearly 1 000 papers **Fiscal Decentralization to Rural Governments in India** Geeta Sethi,2004 With special references to Karnataka and Kerala two states of India **Senegal** International Monetary Fund,2005-06-03 This Selected Issues paper for Senegal reports that reforms of the groundnut sector are an integral part of poverty reduction and growth strategy To strengthen public finances and instill more efficiency into the groundnut sector the government has decided to sell the state owned groundnut processing company and to eliminate the tax and tariff preferences shielding that company from foreign competition Fiscal decentralization is essentially viewed by the Senegalese authorities as an important tool for raising the efficiency of capital spending and reducing poverty **Revisiting Decentralization in the Philippines, Hyatt Hotel, Manila, September 18-19, 2006** ,2006 *Conflicts in the Democratic Republic of Congo* Adeyemi Olaiwola Kayode Dipeolu,2015 **Decentralization** Satyajit Singh,Pradeep K. Sharma,2007 This comprehensive volume looks at local governments in rural India as an opportunity to broaden the democratic structure and space for popular participation in local governance It reviews select state models of decentralization in the country and assesses the form of democratic development possible through the institution of local governments The work represents an emerging genre of literature on decentralization that is not judgmental on the various approaches to decentralization It neither takes a pessimistic view of the world of decentralization marred by caste and gender disparities clientelism rent seeking and nepotism nor romanticizes it The essays grapple with the institutional design of decentralization and show how this could influence the social structure

and make decentralization a pragmatic philosophy of development rather than a mere rhetoric By moving beyond the normative notions of decentralization the collection sensitizes us to the politics of decentralization ***Fiscal Responsibility Legislation and Fiscal Adjustment*** Luiz R. de Mello,2006 This paper discusses trends in fiscal adjustment in Brazil since the 1990s with particular emphasis on the strengthening of institutions for fiscal policymaking and its effect on local government finances and their ability to invest in infrastructure building and upgrading Although fiscal adjustment which is ongoing has taken a toll on the government's ability to finance much needed infrastructure investment it is not the only culprit A lack of budget flexibility against a backdrop of increasing downward rigidities in current spending also constrains the government's ability to invest The paper argues that regulatory uncertainty in many sectors particularly water and sanitation in which the municipalities play a leading role has discouraged private sector investment and that the financing of infrastructure building and upgrading goes beyond the municipal level of government Higher level jurisdictions are responsible for financing investment in energy and transport infrastructure for example **Republic of Mozambique** International Monetary,International Monetary Fund. Fiscal Affairs Dept.,2019-06 The report contributes to efforts on strengthening expenditure control and cash flow management and ensuring effective fiscal coordination and reporting in the context of the planned fiscal decentralization **Decentralization in Asia and Latin America** Paul J. Smoke,Eduardo J. Gómez,George E. Peterson,2006 In addition to taking an atypically comparative perspective the volume highlights the importance of an historical analysis of decentralization and links this to institutional and public policy outcomes Placing decentralization in this context illustrates why it has taken dissimilar shapes and produced varying results over time in different countries This in turn helps to clarify the types of institutions and conditions required for the development and survival of decentralization paving the way for more creative thinking and informed policymaking The countries covered include Cambodia China India Indonesia Vietnam Bolivia Argentina Mexico Peru and Brazil **Fiscal Decentralisation to Local Governments in India** M. A. Oommen,2008 The literature on fiscal decentralisation in India is few and far between The collection of papers in this volume written by scholars who have done scholarly works on the theme seeks to fill the gap relating to the state sub state level fiscal decentralisation in India While the first paper by Anwar Shah an internationally known expert on fiscal federalism provides a general backdrop relating to fiscal decentralisation and macro management all other papers critically review the various dimensions of fiscal decentralisation emerging in India since the implementation of the 73rd 74th constitutional amendments by the state governments Two papers focus exclusively on Kerala which has won world wide acclaim for its innovative initiatives in decentralisation **Senegal, Selected Issues and Statistical Appendix** ,2005 **Development Policy** ,1992 **Intergovernmental Grants Systems and Management** Ehtisham Ahmad,2002 **Fiscal Space and Public Sector Investments in Infrastructure** José Roberto Rodrigues Afonso,2005 ***The Imperative of Good Local Governance*** Joakim Öjendal,Anki Dellnäs,2013 This is a true state of the art volume in the fields of local governance

decentralization and local democracy It summarizes many of the insights emerging from original research of the past decade It is also a future looking volume with explicit policy relevance paving the way for innovative thinking and acting on the next phase of development in the field In a unique way this book brings together authoritative contributions from authors who to a large extent have been defining the field for the last decade or more It looks at how good governance is created from top down and bottom up perspectives illustrated through a wide variety of case studies The case studies were selected for their relevance to the theoretical perspectives offered as well as for their paradigmatic power in the current global evolution of decentralized policies and politics The volume concludes that overall local development and local politics will not go away it has a huge potential but also that the field is full of unfulfilled promises some of which could be remedied through the perspectives revealed in this volume

A Sustainable Fiscal Policy for India Peter S. Heller,M. Govinda Rao,2006 India s

economy has grown rapidly since the beginning of the 1990s despite a large and growing fiscal deficit and rising public levels relative to output This book explores whether India has found a way to reconcile sustained expansionary fiscal policies with relative macroeconomic stability

Local Service Provision in Selected OECD Countries Ehtisham Ahmad, Giorgio Brosio, Vito Tanzi, 2008-03 There is a widespread presumption that decentralization improves public service provision This has led to policy prescriptions that are assiduously adhered to by countries and international This paper reviews the recent evidence from OECD countries which is seen to be inconclusive This suggests the need for a careful design of programs that take into account the political economy constraints and incentives as well as more systematic and thorough evaluations of outcomes
