Mandelson Mandelson:

Mandelson Donald Macintyre,1999 **Sex, Lies and Politics** Donna Smith,2012 Provides an analysis of the changing representation of gay politicians in UK newspapers This title reveals insights about representation and the construction of identity through its focus on sexuality politicians and the media with the changing line between the private and public an essential concept **Jeremy Corbyn and the Strange Rebirth of Labour England** Mark Seddon,Francis Beckett,2018-09-18 Post war Labour England wasn t a bad place to live but after Labour s 2015 election defeat the prospect of a healthier happier and fairer country seemed more remote than ever Who would have predicted that career backbencher and serial rebel Jeremy Corbyn would be the one to breathe new life into a near moribund Labour Party Defying all odds and most commentators and pollsters Labour staged a remarkable comeback at the 2017 election Love him or loathe him and most people feel one way or the other Corbyn represents a new hope which everyone believed had been extinguished by the bitter hostility of the Thatcher era and the grubby triangulations of the Blair years Almost uniquely amongst European social democratic parties Corbyn s party has rallied It has turned its back on New Labour membership is thriving and at long last the party is appealing to the young Labour England wasn t dead it had merely been sleeping In Jeremy Corbyn and the Strange Rebirth of Labour England Francis Beckett and Mark Seddon offer an alternative and refreshing take on the sad fate of Labour England over the past four decades They then turn their attention to the extraordinary reversal of fortunes of the Corbyn years and to what a new Labour England might look like with or without Corbyn **Defeat from the Jaws of Victory** Richard Heffernan,Mike Marqusee,1992 Using original research from archives interviews with MPs and party officials and first hand testimonies from grass roots activists the authors go behind the scenes to name names record the votes and lay bare the machinations of those who led the Labour Party to electoral defeat in 1992 **Free At Last** Tony Benn,2009-12-01 Tony Benn is the longest serving MP in the history of the Labour Party He left Parliament in 2001 after more than half a century in the House of Commons to devote more time to politics This volume of his Diaries describes and comments in a refreshing and honest way upon the events of a momentous decade including two world wars a change of government in Britain and the emergence of New Labour of which he makes clear he is not a member Tony Benn s account is a well documented formidable and principled critique of the New Labour Project full of drama opinion humour anecdotes and sparkling pen portraits of politicians on both sides of the political divide But his narrative is also broader and more revealing about day to day political life covering many aspects normally disregarded by historians and lobby correspondents relating to his work in the constituency including his advice surgeries This volume also offers far more of an insight into Tony Benn s personal life his thoughts about the future and his relationship with his family especially his remarkable wife Caroline whose illness and death overshadow these years Tony Benn is a unique figure on the British political landscape a true democrat a passionate socialist and diarist without equal With this volume his published Diaries cover British politics for over sixty years

It is edited as are all others by Ruth Winstone *Faces of Labour* Andy McSmith,1996 McSmith focuses on key individuals in the party whose careers cast a complex story into sharp relief His choice of subjects is deliberately eclectic It includes portraits of politicians like Peter Mandelson Clare Short David Blunkett John Prescott and Tony Blair who will play a leading role in any Labour government **The Benn Diaries** Tony Benn,2017-03-23 Tony Benn was one of the twentieth century s most charismatic politicians The Benn Diaries kept for almost seventy years are a uniquely authoritative fascinating and readable record of the political life of our times This single volume edition is the selected highlights of the complete diaries from Tony s schooldays in the 1940s until he ceased keeping a record of his day to day thoughts in 2009 The narrative starts with Tony as a schoolboy and takes the reader through his experience as a trainee pilot during the war his tentative first days as a backbencher in Atlee s post war government through his battle to remain in the Commons after the death of his father From cabinet posts and leadership battles through election highs and lows to becoming a retired widower Tony Benn was a consistently radical voice campaigning for the causes he was passionate about This volume is the definitive legacy of the best political diarist of our times **Labour Takes Power** Denis MacShane,2023-12-12 With the strong possibility of Labour forming our next government it is fascinating to consider the last time the party stood on the verge of power back in 1997 At that time future Europe Minister Denis MacShane had a ringside seat that he would occupy for the next decade or so living through Cool Britannia the Good Friday Agreement Peter Mandelson s multiple resignations Princess Diana s death and Tony Blair s seeming invincibility New Labour may be remembered as an unstoppable force but MacShane s diaries reveal that while outwardly all seemed to be going well the personal rivalries slights and petty jealousies between the party s big beasts meant that it was never far from disaster MacShane was a regular in Downing Street from the moment of Labour s election victory and his candid intimate diaries show figures such as Tony Blair Gordon Brown Robin Cook Peter Mandelson Clare Short and Alastair Campbell in a light in which they ve never been seen before detailing the personalities as much as the politics of Labour s most successful stint in government **Servants of the People** Andrew Rawnsley,2001-07-16 Downing Street is said to be furious at this book and it is easy to understand why It is the first meticulous chronicle of all that has happened since that bright May Day three years ago which first brought the Blair government to office Anthony Howard Sunday Times *New York Supreme Court Appellate Division , Annual Report of the Board of Education and Superintendent of Public Schools ...* Nashua (N.H.). Board of Education,1923 Historical Records of Australia: Governors' despatches to and from England. v. v. 1. 1788-1796 ,1925 **Governors' despatches to and from England** Australia. Parliament.
