

Document-Based Question Essay

American Imperialism

APUSH 11-C

The following questions (Part A and Part B) are based on the accompanying documents (1-9). Some of these documents have been edited for the purpose of this exercise. The question is designed to test your ability to work with historical documents and to demonstrate your knowledge of the subject matter being presented. As you analyze the documents, take into account both the source of the document and the author's point of view.

Directions: Answer the questions on your DBQ in a separate piece of paper to hand in as homework for tomorrow. Complete Part B on a separate document. Write a well-organized essay that includes your analysis of the documents. You should include specific historical details and you may discuss documents not provided in the question.

Historical Context: Late 19th-century and early 20th-century expansionism by the United States was seen by many as a continuation of earlier 19th-century Manifest Destiny.

Part A

Short Answer

The documents below relate to the rise of American business and industry during the late 1800s. Examine each document carefully and then answer the questions that follow.

DOCUMENT 1

Our Manifest Destiny is to overspread the continent allotted by Providence for the free development of our yearly multiplying millions.

- John L. Sullivan, *Democratic Review* (1845)

1. Which continent is being referred to by John L. Sullivan?

DOCUMENT 2

Go West, young man, grow up with the country.

- Horace Greeley, *New York Tribune* (1850)

2. The opinion of John L. Sullivan (see Document 1) and the advice of Horace Greeley in Document 2 both supported westward expansion and settlement by Americans. Which groups of North American inhabitants would have been likely to object to the positions of both of these men? Explain.

Manifest Destiny And The Imperialism Question:

Manifest Destiny and the Imperialism Question Charles L. Sanford, 1974-01-01 **Manifest Destiny & the Imperialism Questions**, 1974 **Remembering Jamestown** Amos Yong, Barbara Brown Zikmund, 2010-05-01 For many Americans Christian missionary efforts have usually involved distant and exotic places Sometimes however we can learn more about missions and interreligious engagement by looking in our own backyard This collection of essays deriving from a consultation on missionary history and attitudes in colonial Jamestown Virginia explores long standing assumptions related to Christian mission by listening to Native American voices What were the ideologies and theologies that motivated early Virginia colonists How did certain understandings of mission and church provide support and legitimacy for invasion and exploitation What were and are the responses of indigenous populations and how should Christian mission to Native Americans continue in light of this history This book addresses these still very relevant questions and explores ways in which new understandings of Christian mission are needed in the expanding religious and cultural diversity of the twenty first century

Presenting Japanese Buddhism to the West Judith Snodgrass, 2003-12-04 Japanese Buddhism was introduced to a wide Western audience when a delegation of Buddhist priests attended the World s Parliament of Religions part of the 1893 Columbian Exposition in Chicago In describing and analyzing this event Judith Snodgrass challenges the predominant view of Orientalism as a one way process by which Asian cultures are understood strictly through Western ideas Restoring agency to the Buddhists themselves she shows how they helped reformulate Buddhism as a modern world religion with specific appeal to the West while simultaneously reclaiming authority for the tradition within a rapidly changing Japan Snodgrass explains how the Buddhism presented in Chicago was shaped by the institutional social and political imperatives of the Meiji Buddhist revival movement in Japan and was further determined by the Parliament itself which despite its rhetoric of fostering universal brotherhood and international goodwill was thoroughly permeated with confidence in the superiority of American Protestantism Additionally in the context of Japan s intensive diplomatic campaign to renegotiate its treaties with Western nations the nature of Japanese religion was not simply a religious issue Snodgrass argues but an integral part of Japan s bid for acceptance by the international community

Discovering Indigenous Lands Robert J. Miller, 2010-08-12 North America New Zealand and Australia were colonised by England under an international legal principle that is known today as the doctrine of discovery This book analyses how this doctrine was used to gain control over the indigenous peoples and how this control continues to this day

Colonialism Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In

Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism s bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered
