## Nurses At War:

**And If I Perish** Evelyn Monahan, Rosemary Neidel-Greenlee, 2004-11-09 In World War II 59 000 women voluntarily risked their lives for their country as U S Army nurses. When the war began some of them had so little idea of what to expect that they packed party dresses but the reality of service quickly caught up with them whether they waded through the water in the historic landings on North African and Normandy beaches or worked around the clock in hospital tents on the Italian front as bombs fell all around them. For more than half a century these women's experiences remained untold almost without reference in books historical societies or military archives. After years of research and hundreds of hours of interviews Evelyn M Monahan and Rosemary Neidel Greenlee have created a dramatic narrative that at last brings to light the critical role that women played throughout the war. From the North African and Italian Campaigns to the Liberation of France and the Conquest of Germany U S Army nurses rose to the demands of war on the frontlines with grit humor and great heroism. A long overdue work of history And If I Perish is also a powerful tribute to these women and their inspiring legacy. [Nurses in War](#)

Elizabeth Scannell-Desch, Mary Ellen Doherty, 2012-04-23 Print CourseSmart **Women at War** Elizabeth M. Norman, 1990 Norman tells the dramatic story of fifty women members of the Army Navy and Air Force Nurse Corps who went to war working in military hospitals aboard ships and with air evacuation squadrons during the Vietnam War. Here in a moving narrative the women talk about why they went to war the experiences they had while they were there and how war affected them physically emotionally and spiritually.

**They Called Them Angels** Kathi Jackson, 2006-03-01 With the insight and intimacy of firsthand accounts from some of the thousands of army and navy nurses who served both stateside and overseas during World War II this book tells the stories of the brave women who used any and all resources to save as many lives as possible. Although military nurses could have made more money as civilians thousands chose to leave the security of home to care for the young men who went off to war. They were not saints but vibrant women whose performance changed both military and civilian nursing. Kathi Jackson's account follows army and navy nurses from the time they joined the military through their active service to their lives today. They Called Them Angels presents the stories of women who lived under extraordinary circumstances in an extraordinary time women who even today bear emotional scars along with lasting pride.

**G.I. Nightingales** Barbara Tomblin, 1996-01-01 Recounts the history of the Army Nurse Corps whose members served with but not in the armed forces and describes the experiences of nurses in every theater of World War II including the special situation faced by African American nurses. **Nurses at War** Penny Starns, 2000 Based upon a range of oral and written testimonies this text examines the personal experience of nurses who played a role at the front during World War II in theatres as far apart as Africa Europe and the Far East. Britain's female military nurses pursued a frontline policy for the first time believing that their skills would be of most use to the wounded in operational areas. As a result they suffered the same consequences of war bombing torture imprisonment as their male counterparts and more than 3000 of

their number died as a result of the policy     **The War Nurse** Tracey Enerson Wood,2021-07-06 Any readers who enjoyed the mix of romance intrigue and medical accuracy of Call the Midwife will love The War Nurse New York Journal of Books An impeccably researched well drawn based on a true story tale written by a former RN The War Nurse shines an important light on a woman whose story was until now lost to time Kristin Harmel New York Times bestselling author of The Book of Lost Names Based on a true story The War Nurse is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France She asked dozens of young women to lay their lives on the line during the Great War Can she protect them Superintendent of Nurses Julia Stimson must recruit sixty four nurses to relieve the battle worn British months before American troops are ready to be deployed She knows that the young nurses serving near the front lines will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen France The primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and Julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital s limited resources and threatening the health of her staff Julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms Fans of Martha Hall Kelly s Lost Roses and Marie Benedict s Lady Clementine will devour this mesmerizing celebration of some of the most overlooked heroes in history the fierce determined and brave nurses who treated soldiers in World War I Praise for The War Nurse Through careful research this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations Julia Kelly international bestselling author of The Last Garden in England and The Light Over London A rich gripping history of one woman s lifelong battle against systemic prejudice Stewart O Nan award winning author of The Good Wife Once again Tracey Enerson Wood with her impeccable research and evocative prose kept me glued to the page Wood has a talent for bringing strong yet lesser known women from history to life Linda Rosen author of The Disharmony of Silence A riveting and surprisingly timely story of courage sacrifice and friendship forged at the front lines Kelly Mustian author of The Girls in the Stilt House If you like me are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action then The War Nurse is for you Diane Dewey author of Fixing the Fates Fans of Patricia Harman will love Wood s treatment of medical expertise in a historical setting Booklist

[Angel Walk](#) Sharon I. Richie-Melvan,Diane Vines,2010 Angel Walk reveals the untold stories of the men and women who have fought for the lives of those wounded in wartime and provides a unique perspective into the hearts and minds of U S military nurses     *Vietnam War Nurses* Patricia Rushton,2013-04-17 Eighteen nurses who served in the United States military nurse corps during the Vietnam War present their personal accounts in this book They represent all military

branches and both genders They served in the theater of combat in the United States and in countries allied with the U S They served in front line hospitals hospital ships large medical centers and small clinics They speak of caring for casualties during a conflict filled with controversy and of patriotism of the nursing profession of travel and the adventure of friendship and love

*Faces of Civil War Nurses* Ronald S. Coddington, 2020-10-06 A collection of rare archival images and biographical sketches of the dauntless women who served as nurses and caregivers during the Civil War During the American Civil War women on both sides of the conflict radiating patriotic fervor equal to their male counterparts contributed to the war effort in countless ways forming charitable societies becoming nurses or even marching off to war as vivandi res unofficial attach s to the regiments In *Faces of Civil War Nurses* Ronald S Coddington turns his attention to the experiences of 77 women of all ages and walks of life who provided care during the war as nurses aid workers and vivandi res Their personal narratives are as unique as fingerprints each provides a distinct entry point into the larger social history of the brutal and bloody conflict Coddington tells these determined women s stories through letters diaries pension files and newspaper and government reports Using identified tintypes and cartes de visite of women on both sides of the war many of them never before published Coddington uncovers the personal histories of each intrepid individual Following their postwar stories he also explains how the bonds they formed continued long after the cessation of hostilities The fifth volume in Coddington s series on Civil War soldiers this captivating microhistory will appeal to anyone with an interest in the Civil War women s studies social history nursing or photography Praise for Ronald Coddington s *Faces Series* An engaging look at a neglected part of the history of the American Civil War Booklist Coddington has hit upon a unique and fascinating niche in the seemingly endless march of Civil War books C RL News A lavishly produced visual record of southern Civil War soldiers will appeal to serious photography enthusiasts and collectors as well as those readers captivated by the personal stories of Civil War soldiers Civil War Books and Authors Coddington s prose is as unpretentious as the faces he shares yet

authoritative It resurrects details that broaden our understanding of those sad times and sheds valuable light on the shape of modern culture Atlanta Constitution Even at a distance of over a hundred years the faces staring out of these pages create an undeniable emotional connection with the reader This book is highly recommended H CivWar H Net Reviews A fascinating window into the war s impact on the individual soldier well researched and engagingly written Any teacher of the Civil War would do well to consult this volume and incorporate some of the captivating tales into lectures and readings Journal of Military History

Nurses After War Mary Ellen Doherty, Elizabeth Scannell-Desch, 2016-07-05 Based on candid interviews with 35 nurses who were deployed for the wars in Iraq and Afghanistan this is the first book to reveal the stresses and moral dilemmas they experienced as they transitioned back into everyday life The nurses share their difficulties with family separation clinical reassignments post traumatic stress disorder the perceived stigma of seeking mental health counseling and compassion fatigue They describe how doing nursing in a war zone changed them personally and expanded their nursing

skills and how reintegration was more difficult than they had anticipated In addition to serving as a personal account of the experiences both individual and collective of these military nurses the book will serve researchers as a compelling example of qualitative phenomenological and descriptive research Interviewees describe in vivid detail their homecoming family adjustments renegotiation of spousal and parenting roles domestic and workplace challenges and many other dilemmas posed by the reintegration process They provide insights and thoughtful recommendations for changes to current military debriefing to improve the experiences of future wartime nurses Encompassing all three branches of the military the book also examines the differences between active duty services and reserve unit services issues of substance abuse the Veterans Administration the burden of multiple deployments and other common threads among nurses who served in Iraq and Afghanistan

**KEY FEATURES** Provides vivid narrative accounts of nurses reintegration experiences Delivers the first research study of nursing reintegration which includes Army Navy and Air Force Nurse Corps officers following deployment in the Iraqi and Afghani Conflicts Demonstrates how a comprehensive qualitative nursing research study can be crafted into a highly accessible compelling account Explores the personal and professional paths of 35 nurses returning from war

Addresses the reintegration differences between active duty versus reserve status      **Our Army Nurses** ,1895 The Civil War provided women with an opportunity to enter the field of medicine and laid the groundwork for the development of the nursing profession This book provides biographical sketches on women such as Clara Barton and Dorothea Dix who provided nursing care during the Civil War

*Nurses at War* Penny Starns,2002 During the Second World War Britain s female military nurses actively pursued a frontline policy for the first time As a result they suffered the consequences of war in much the same way as their male counterparts they were bombed tortured imprisoned and more than 3 000 of their number were killed Including a range of vivid testimonies Nurses at War examines the personal experiences of nurses at the front It highlights their struggle before during and after the war to gain the recognition and respect that they so richly deserve

*Officer, Nurse, Woman* Kara Dixon Vuic,2010-01-01 Winner 2010 Lavinia L Dock Award American Association for the History of NursingAn American Journal of Nursing Book of the Year in History and Public Policy I never got a chance to be a girl Kate O Hare Palmer lamented thirty four years after her tour as an army nurse in Vietnam Although proud of having served she felt that the war she never understood had robbed her of her innocence and forced her to grow up too quickly As depicted in a photograph taken late in her tour long hours in the operating room exhausted her both physically and mentally Her tired eyes and gaunt face reflected the weariness she felt after treating countless patients some dying some maimed all like her forever changed Still she learned to work harder and faster than she thought she could to trust her nursing skills and to live independently She developed a way to balance the dangers and benefits of being a woman in the army and in the war Only fourteen months long her tour in Vietnam profoundly affected her life and her beliefs Such vivid personal accounts abound in historian Kara Dixon Vuic s compelling look at the experiences of army nurses in the Vietnam War Drawing on

more than 100 interviews Vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service Vuic also explores the gender issues that arose when a male dominated army actively recruited and employed the services of 5 000 nurses in the midst of a growing feminist movement and a changing nursing profession Women drawn to the army s patriotic promise faced disturbing realities in the virtually all male hospitals of South Vietnam Men who joined the nurse corps ran headlong into the army s belief that women should nurse and men should fight Officer Nurse Woman brings to light the nearly forgotten contributions of brave nurses who risked their lives to bring medical care to soldiers during a terrible and divisive war Veiled Warriors Christine E. Hallett,2014 The true story of Allied nursing in the First World War offering a compelling account of nurses wartime experiences and a clear appraisal of their work and its contribution to the Allied cause Easing Pain on the Western Front Paul E. Stepansky,2019-12-13 World War I is regarded as the first modern war driven by fearful new technologies of mechanized combat The unprecedented carnage rapidly advanced military medicine transforming the nature of wartime caregiving and paving the way for modern nursing practice Drawing on firsthand accounts of American nurses as well as their Canadian and British counterparts historian Paul E Stepansky describes nurses encounters with devastating new forms of injury wounds from high explosive artillery shells poison gas burns shell shock the Spanish Flu Comparing nursing practice on the western front with nursing care during the American Civil War the Spanish American War and the Anglo Boer War the author is especially attentive to the emergent technologies employed by nurses of the Great War **All This Hell** Evelyn M. Monahan,Rosemary Neidel-Greenlee,2010-09-12 Even though women were not supposed to be on the front lines on the front lines we were Women were not supposed to be interned either but it happened to us People should know what we endured People should know what we can endure Lt Col Madeline Ullom More than one hundred U S Army and Navy nurses were stationed in Guam and the Philippines at the beginning of World War II After the Japanese attack on Pearl Harbor in December 1941 five navy nurses on Guam became the first American military women of World War II to be taken prisoner by the Japanese More than seventy army nurses survived five months of combat conditions in the jungles of Bataan and Corregidor before being captured only to endure more than three years in prison camps When freedom came the U S military ordered the nurses to sign agreements with the government not to discuss their horrific experiences Evelyn Monahan and Rosemary Neidel Greenlee have conducted numerous interviews with survivors and scoured archives for letters diaries and journals to uncover the heroism and sacrifices of these brave women Gulf War Nurses Patricia Rushton,2014-01-10 Since the pioneering work of nineteenth century nurses such as Florence Nightingale Dorothea Dix and Clara Barton professional nurses have been involved in caring for the sick and wounded in combat situations This book contains the accounts of 14 nurses who served in the U S military nurse corps during the Persian Gulf and Iraq wars These men and women describe how they found themselves serving during

wartime the soldiers they cared for the professionals they worked with and the impact they made in their patients lives These varied accounts attest to the tremendous impact this profession has on the lives of individual soldiers and the health of armies at large

**Answering the Call** Lisa M. Budreau, Richard M. Prior, 2008-11-10 Contains a carefully chosen collection that depicts the rich and varied experiences of Army nurses during the First World War as recorded by the U S Army Signal Corps photographers

**We Band of Angels** Elizabeth Norman, 2013-10-29 In the fall of 1941 the Philippines was a gardenia scented paradise for the American Army and Navy nurses stationed there War was a distant rumor life a routine of easy shifts and dinners under the stars On December 8 all that changed as Japanese bombs began raining down on American bases in Luzon and this paradise became a fiery hell Caught in the raging battle the nurses set up field hospitals in the jungles of Bataan and the tunnels of Corregidor where they tended to the most devastating injuries of war and suffered the terrors of shells and shrapnel But the worst was yet to come After Bataan and Corregidor fell the nurses were herded into internment camps where they would endure three years of fear brutality and starvation Once liberated they returned to an America that at first celebrated them but later refused to honor their leaders with the medals they clearly deserved Here in letters diaries and riveting firsthand accounts is the story of what really happened during those dark days woven together in a deeply affecting saga of women in war Praise for We Band of Angels Gripping a war story in which the main characters never kill one of the enemy or even shoot at him but are nevertheless heroes Americans today should thank God we had such women Stephen E Ambrose Remarkable and uplifting USA Today Elizabeth M Norman brings a quiet scholarly voice to this narrative In just a little over six months these women had turned from plucky young girls on a mild adventure to authentic heroes Every page of this history is fascinating Carolyn See The Washington Post Riveting poignant and powerful The Dallas Morning News Winner of the Lavinia Dock Award for historical scholarship the American Academy of Nursing National Media Award and the Agnes Dillon Randolph Award

## Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Nurses At War**

In a world inundated with monitors and the cacophony of instantaneous interaction, the profound energy and psychological resonance of verbal beauty often fade in to obscurity, eclipsed by the continuous assault of sound and distractions. ## **Nurses At War Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Nurses At War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nurses At War has opened up a world of possibilities. Downloading Nurses At War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nurses At War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nurses At War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nurses At War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nurses At War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed.

and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nurses At War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Nurses At War Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nurses At War is one of the best books in our library for free trial. We provide copy of Nurses At War in digital format, so the resources that you find are reliable. There are also many eBooks of related with Nurses At War. Where to download Nurses At War online for free? Are you looking for Nurses At War PDF? This is definitely going to save you time and cash in something you should think about.
