The Elements of Architecture Scott Drake, 2014-02-04 The Elements of Architecture is a clear and well structured introduction to sustainable architecture which concentrates on general principles to make an accessible and comprehensive primer for undergraduate students The author takes a fresh and logical approach focusing on the way aspects of the built environment are experienced by the occupants and how that experience is interpreted in architectural design He works through basic elements and senses sun heat light sound air water and fire to explain and frame effective environmental architectural design not only arguing that the buildings we inhabit should be viewed as extensions of our bodies that interact with and protect us from these elements but also using this analogy to explain complex ideas in an accessible manner

Chibi Character Styles Hazel Monroe, AI, 2025-03-10 Chibi Character Styles explores the delightful art of chibi character design focusing on simplified proportions and exaggerated expressions This book explains how to capture a character s essence using just a few lines Interestingly chibi art while seemingly modern is rooted in historical art forms like caricature and early animation demonstrating its enduring appeal Learn how to effectively manipulate proportions creating endearing characters with large heads and small bodies and master the art of conveying emotions through subtle facial adjustments The book uniquely deconstructs the chibi style with a systematic approach offering a clear framework for understanding its principles It emphasizes expressive exaggeration to

help the reader amplify the character's core personality. For example, slight changes to the eyes or mouth can dramatically alter a character's mood. The book progresses from fundamental anatomy to facial expressions and practical exercises, allowing readers to create personalized chibi characters. Ultimately, mastering chibi design enhances visual communication skills, making it valuable for various applications like game design and animation. The book emphasizes that effective chibi design is not merely about shrinking a character but rather a strategic simplification and expressive amplification. This approach sets it apart, highlighting its potential as a powerful tool for character design. Frontiers, 2011. A journal of women studies.

Advanced Power Transference L.C. Mawson, 2021. Someone you're magically bonded to getting executed probably isn't healthy. With a new short deadline on Xiatyan's execution, I'm left with no new ideas for how to save him. If I don't figure out how to save him soon, all of my bonded will be in danger, but I have no idea where to start. *ADVANCED POWER TRANSFERENCE* is the sixth and final book in the *Ember Academy for Magical Beings New Adult slow burn Reverse Harem Urban Fantasy Academy* series. If you love sarcastic bisexual heroines, dragon-related mysteries, and magical universities, you'll love this latest fast-paced series in L.C. Mawson's *Snowverse*.

Advanced Mermaid Politics L.C. Mawson, 2021-01-31. When the bond between me, Naveen, Lorelei, and James is supposed to be protecting me, lying to the three of them probably isn't my smartest move. But I also know that they won't react well to knowing that the bond has been weakened, and I don't want James to feel pressured into strengthening the bond by getting close to me if he's not ready. So I'm stuck dealing with the Great Dragon who still wants to claim me as his bride by himself. Which would be fine if I was sure that I could actually trust myself not to fall for his charms again. *ADVANCED MERMAID POLITICS* is the third book in the *Ember Academy for Magical Beings New Adult slow burn Reverse Harem Urban Fantasy Academy* series. If you love bisexual heroines struggling to find their place in their world, dragon-related mysteries, and magical universities, you'll love this latest fast-paced series in L.C. Mawson's *Snowverse*. *The*

Rachel Lin Smith is only just getting used to being a vampire and things couldn't be better She has a boyfriend and a girlfriend and playing them both for affection and blood But is she getting more aggressive Is she even still acting as herself or is her rising confidence also a sign of the vampire taking control With children going missing all around town she better figure herself out fast There's people that rely on her like Jon Mason and his unstable Synesthesia Or Tanya and her time traveling father being threatened by a time traveler worshiping cult who think his death will bring the return of all magic in the world a force long ago extinct She'll be so busy she might not even have time for the time traveling wizard from previously mentioned ancient era of magic who has come to present day with all his magic intact Can she stop him from turning the CN Tower into his own personal Wizard's Tower and the entire city into a hellish nightmarescape of monsters

Dakotah Slade Script Written Comic in production I Wrote a script for a story that takes place within the same world as Urban Fantasy following a love sick damaged alcoholic woman named Dakotah Slade who learns that magic is real when one of her best friend Spontaneously Combusts Teaming up with a jaded detective they have to find out the truth behind a tainted drug that is spreading amongst the sleepy Canadian community Can they stop it before everything is in place for the endgame

ADRIFT Script written comic in production A comic I've written and is currently being produced Follows kids who wake up alone and scared on a derelict junk vessel not so slowly falling into a sun Can they get free and find the pirates who took their parents pirates who are using all the slave labour they can get to build the largest fleet to ever fly under a single flag My artist has been working at it for a while In a shared universe with my next novel after Urban Fantasy

ADRIFT HOMELESS In conception A sci fi novel about a doctor named David Stanfield living on a dying desert world with a dwindling populace He's recruited by a secret government program to build a large colony ship to take their people to find a new home in the stars Things won't be simple however with a growing resistance planetside fighting against what they feel is a waste of resources Just when The Rebirth is finally ready to set off things get worse as their captain is killed and Dr Stanfield is forced to take command of their crew against an alien with technology far more advanced than theirs One side has lasers and large energy shields that make them seemingly invincible Stanfield's crew has technology only pejoratively more advanced than our own They have infinite numbers Stanfield has one ship

The Aldonn Chronicles In development My third novel series that I hope to start after finishing Urban Fantasy and Adrift Homeless With those three novel series I hope to jump back and forth between the settings one medieval one modern and one in the future I want to create a channel of book chapters or episode
