Marriage is give and take but at what point do you stop giving when you realize all your spouse is doing is taking Holliday was raised to be a submissive woman who puts her man first but what happens when the same man you would lay your life down for is now sucking the life out of you Growing up all Holliday wanted was a husband to love her and a child to raise Simple enough right Well she has both but not under the circumstances she dreamed of Her husband starts cheating before the ink dries on their marriage certificate and her stepdaughter Bell can t stand her because she sees how much Holliday puts up with from her father Rush is running around Detroit as if his name isn t signed on any marriage certificate while his daughter Bell is trying to hide under a rock from the embarrassment of her father s whorish ways and Holliday s docile personality Love can be bliss or love can be toxic It all depends on who you decide to give it to Love is powerful and it can make you do some insane things Love can either make you feel like you re walking on air or it can make you want to cut the air supply from the person who s causing you heartache In Holliday s case she s gone through so much drama with her husband Rush that she s lost her identity and all her self respect but when Rush and his cheating takes a new turn and brings someone deadly into their fold Holliday wakes up Rush has never honored his wedding vows to Holliday and working at Ford Motor Plant is a cheating man s dream with all the young women coming and going he s basically had his cake and a mouthful too But when the past invades his home reality sets in and he starts to realize that maybe his family is worth more than burying his head in between every set of open legs offered to him Karma comes back to bite Rush in the ass but he s been so messy he s not sure who s trying to ruin him or how to stop the bleeding Holliday must decide if being married is more important than her sanity and Rush will have to come to terms that mixing business and pleasure can be deadly This couple is forced to learn a hard lesson but who will be the one to learn Rush or Holliday **Many Peoples, One Land**

Alethea K. Helbig, Agnes Regan Perkins, 2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults this valuable resource examines the fiction oral tradition and poetry from four major ethnic groups in the United States. Each of these genres is considered in turn for the literature dealing with African Americans, Asian Americans, Hispanic Americans, and Native American Indians. Taking up where their earlier volume *This Land is Our Land* left off, Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999. Both considered authorities in the field of children's literature, the two of them personally selected, read, and evaluated all the books included here. Their insightful annotations help readers carefully consider both literary standards such as plot development, characterization, and style, as well as cultural values as they are represented in these cited works. Each entry also indicates the suggested age and grade level appropriateness of the work. With the proliferation and ever increasing popularity of multicultural literature for children and young adults, this sensitively written volume will serve as an invaluable collection development tool. Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use. Even students will find this book easy to use with its five indexes identifying works by title, writer, illustrator, grade level, and subject. Public libraries and school media centers will find much use for *Many Peoples One Land*.

This Land Is Our Land Agnes Regan Perkins, Alethea K. Helbig, 1994-09-26 How do you select the best recent works of fiction, oral tradition, and poetry about African American, Asian American, Hispanic American, and Native American Indian experiences and traditions from the profusion of titles being published today? This annotated bibliography of titles for children and young adults published from 1985 through the end of 1993 with 60% published since 1990 provides a one stop selection tool. Appraisals of 559 titles as well as information about an additional 188 recent books and 90 earlier ones of importance are provided. Each entry features a plot summary incorporating themes, critical comments with a judgment of the book's value as an example of its genre, suggestions of other books by that writer and related books of importance. The authors who are recognized authorities in children's literature and an advisory board of librarians and teachers, each of whom specializes in the literature of a particular ethnic group, have provided insightful critical appraisals and expertise and guidance in the selection of titles. Helpful subject, grade level, author, title, and illustrator indexes are organized for ease of use. Titles in the grade level and subject indexes are also identified by ethnic group.
