The Human and Her Vampires Julie Morgan, 2018-11-13

Can dreams become reality? Tawne O'Brien loves adventure and dreams of living in a world where paranormal creatures exist. Orphaned at a young age and with a string of failed relationships only adding to her misery, her books are the only salvation from a mundane existence in a universe where she feels completely alone. When her best friend asks her to come visit her dreams of a new life suddenly become a possibility. Tawne is introduced to four sexy-as-sin vampires and given the opportunity of a lifetime with no strings attached, or so they say. When she discovers she may only be a guinea pig to the vampires' disappointment, she regains the upper hand, reminding her of her place in this world. Can Tawne find the strength inside herself to fight for what she deserves? If she doesn't, she'll lose everything, including any memory of her life with her vampires.
