Mastering the iPhone 12 Pro Camera James Nino, 2020-12-12 Mastering the iPhone 12 Pro Camera. The iPhone camera comes with so many hidden features and tricks that what is obvious at first, and only with a good book like this, can you expose those hitherto hidden features. If you have an iPhone 12 Pro and want to join many others who are able to take stunning photos with it, then this book is for you. The triple lens rear cameras that protrude from the back of the iPhone 12 Pro are incredible but will require that you master the camera settings for you to be able to use it to capture great shots, which is why you should be ordering this book right away because it is going to tell you how to do just that. Very often the manuals and user guide that accompany devices tend to provide only basic advice on how to navigate around the iPhone, which means you have to rely on external sources to get the best tricks and tips required to get the best from such devices, which is why this book was written to help you get the most out of your iPhone 11 Pro Camera app. In this book, you will learn how to use the iPhone 12 Pro to take selfies, taking great slofies, QuickTake Burst, and how they improve your iPhone photography. Why manual camera settings can improve your picture quality. How to access some hidden camera functions that you probably did not expect a phone camera to have. Have fun with Memojis and Animojis by creating fun personal replicas. Why you should not use the digital zoom and use the optical zoom instead to get the best from your photos. How to use your iPhone with a drone and shoot a full wedding scene. This book shows many more functions than you would expect to find on a phone and helps you better utilize your iPhone 12 Pro when next you go on a trip or at the airport go on vacation, capture important moments, and document the different stages of your child's life. Special Bonus: That is not all. At the end of this book, we have a special gift for you, something we believe you will love.
