Jump-Starting a Career in Optometry and Ophthalmology Daniel E. Harmon, 2018-12-15 Many students who are interested in a career in eye care do not realize the wide range of job opportunities available Although optometrists and ophthalmologists obtain advanced degrees most of the staff who support them require no more than two years of higher education The jobs described in this handy resource include optician ophthalmic laboratory and medical technician ophthalmic photographer medical equipment repairer medical assistant receptionist insurance claims and policy processing clerk and financial coordinator among others Job training and educational requirements are examined as well as job search strategies creating a resume and cover letter and preparing for an interview *The Optometric Profession [by] Monroe J. Hirsch [and] Ralph E. Wick* Monroe J. Hirsch, 1968 *Caring for the Eyes of America*, 1998 Optometric Weekly, 1930 The Optometric Weekly, 1929 Education for the Professions United States. Office of Education, 1955 *Education for the Professions in Times of Change* Linda Clarke, 2020-12-02 The eminent Harvard educationalist Howard Garner writes a preface to the Place Model within his Good Project Blog which provides a preface to this timely book Professional is a slippery term open to willful abuse misuse and misunderstanding as evidenced by the ways in which this chameleon term can be used as both a compliment and an insult In this book academics from a range of professional fields deconstruct professional and reimagine professionals in an age of rapid change where professionals are both increasingly in demand and frequently under threat Several deploy the lens of Clarke's Place Model to examine professions including teaching midwifery social work journalism and optometry Some papers are empirical and some are based around using the Place Model as a thought experiment All turn a critical eye on professionals and all find them to be like all humans neither devils nor divines Maya Angelou but at their best a combination of two indispensable characteristics trustworthiness and expertise **From Spectacle-Making Trade to Scholarly Profession: A History of Optometry in the United States** David A. Goss, 2022-07-15 From Spectacle Making Trade to Scholarly Profession takes a look at the long span of optometry history with a primary focus on the United States examining its path from spectacle making to its current status as a profession with strong academic standing integrated into today's health care system Along with an overview of the history of optometry from the invention of spectacles to recent years the book considers the maturation of the optometric examination from simple trial and error of spectacles to today's comprehensive eye and vision examination the history of optometric education from the brief instructional programs offered in the late nineteenth century to the challenging academic programs of the present and the increasing sophistication of optometric publications Optometrists and other readers will gain an appreciation for the struggles advancements and contributions of optometry **The Optical Journal and Review of Optometry**, 1924 **Optometric Weekly**, 1937 **Caring for the Eyes of America** American Optometric Association, 1996 Announcement of Professional Courses in Optometry Columbia University.
