Each topic is introduced through a gateway literature selection counterbalanced with a primary source document. Fiction is the emotional hook which engages students in a time period while the primary source document develops content. Providing teachers with organizational structures, bibliographies, and reproducibles to facilitate ease of implementation, this title is useful to teachers as they introduce historical eras and aide students in finding project ideas for the National History Day competition all the while integrating the teaching of reading a NCLB response and introducing students to primary source documents another tested concept.
