Oregons Promise:

Oregon's Promise David Peterson del Mar, 2003 The first history of Oregon to appear in twenty five years *Oregon's Promise* explores familiar and neglected people and movements in the state's history while challenging readers to view Oregon's past present and future in a new way David Peterson del Mar recognizes that the words Oregon history conjure up images of Lewis and Clark and rugged pioneers But he argues that the explorers impact was both different from and less significant than commonly assumed and that the state's settlers were much more varied contentious complicated and interesting than conventional heroic stereotypes would suggest *Oregon's Promise* is a concise general history spanning the period from that of the region's earliest inhabitants to the present It moves beyond the more familiar episodes of Oregon history to discuss indigenous peoples before and after contact with whites the profound and evolving impact of broad forces like industrialization and suburbanization and the varied fortunes of a growing stream of people from across the world who have sought the good life in Oregon It explores the tensions behind contemporary disagreements rending our political social and cultural fabric The book's many themes revolve around Peterson del Mar's consideration of how Oregonians have attempted to build a prosperous and just society He examines both the traditional center of Oregon history and its often overlooked margins the people who have struggled to be included in Oregon's promise Each chapter includes brief biographies of noteworthy Oregonians David Peterson del Mar is both a respected historian and an engaging writer with a talent for explaining Oregon's past in a way that will appeal to general readers as well as to scholars and students

Oregon 1859 Janice Marschner, 2008-07-15 The essential Oregon guide for time travelers of all ages Oregon became the 33rd state in the Union on February 14 1859 Portland had wooden sidewalks and tamped dirt streets unlit by gaslight until a year later To the south gold glittered in streams towns with names like Echo Lookingglass and Quartzville were springing up all over It is a time to remember and revisit today 150 years later with this detailed and lively guide Janice Marschner provides all you need to travel through each of Oregon's 19

original counties at the moment of statehood a map showing each county's 1859 place names and current reference points the history of native peoples and settlers early roads and bridges the first homes schools stores hotels and churches biographical sketches of notable individuals throughout the state Historical photographs show the determined faces of natives and settlers their oxen and wagons on wide rough roads their rafts and ferries on the rivers and their towns under development An inspiring close up portrait at the moment of statehood Oregon 1859 will light the way back for anyone who wants to see Oregon today as it was then **Staging Indigeneity** Katrina Phillips, 2021-01-29 As tourists increasingly moved across the United States in the late nineteenth and early twentieth centuries a surprising number of communities looked to capitalize on the histories of Native American people to create tourist attractions From the Happy Canyon Indian Pageant and Wild West Show in Pendleton Oregon to outdoor dramas like Tecumseh in Chillicothe Ohio and Unto These Hills in Cherokee North Carolina locals staged performances that claimed to honor an Indigenous past while depicting that past on white settlers terms Linking the origins of these performances to their present day incarnations this incisive book reveals how they constituted what Katrina Phillips calls salvage tourism a set of practices paralleling so called salvage ethnography which documented the histories languages and cultures of Indigenous people while reinforcing a belief that Native American societies were inevitably disappearing Across time Phillips argues tourism nostalgia and authenticity converge in the creation of salvage tourism which blends tourism and history contestations over citizenship identity belonging and the continued use of Indians and Indianness as a means of escape entertainment and economic development *Oregon Laws Oregon, 1920*
