Organic Chef:

My Organic Life Nora Pouillon,Laura Fraser,2015-04-21 A wonderfully engaging memoir from the woman who founded America's first certified organic restaurant My Organic Life is the story of an unheralded culinary pioneer who made it her mission to bring delicious wholesome foods to the American table While growing up on a farm in the Austrian Alps and later in Vienna Nora Pouillon was surrounded by fresh and delicious foods So when she and her French husband moved to Washington D C in the 1960s she was horrified to discover a culinary culture dominated by hormone bloated meat and unseasonal vegetables The distance between good healthy produce and what even the top restaurants were serving was vast and Nora was determined to bridge that gap First as a cooking teacher then as a restaurant owner and eventually as the country's premier organic restaurateur she charted a path that forever changed our relationship with what we eat Since it opened in 1979 her eponymous restaurant has been a hot spot for reporters celebrities and politicians from Jimmy Carter to the Obamas alike Along the way Nora redefined what food could be forging close relationships with local producers and launching initiatives to take the organic movement mainstream As much the story of America's postwar culinary history as it is a memoir My Organic Life encompasses the birth of the farm to table movement the proliferation of greenmarkets across the country and the evolution of the chef into social advocate Spanning the last forty years of our relationship with food My Organic Life is the deeply personal powerfully felt story of the organic revolution by the unlikely heroine at its forefront

topics including the ethos of halutzim pioneers Zionist ideological farmers and workers the utopian visions of the Israeli kibbutz indigeneity that is claimed both by Palestinians and Jewish settlers in the Gaza Strip and in the West Bank biblical meanings that have been ascribed to environmental and countercultural ideas the Americanization of Israeli society and its neoliberalized economy Chef ,2009
