Ordeal Of The Union Fruits Of Manifest D:

Ordeal of the Union: Fruits of manifest destiny, 1847-1852 Allan Nevins, 1947 **Ordeal of the Union** Allan Nevins, 1992 Ordeal of the Union Allan Nevins, 1947 **Ordeal of the Union** Allan Nevins, 1975 The book will take its place as the standard history of the eighteen fifties Our armies in Mexico had won victory after victory But victory in war does not invariably spell an untroubled peace This was the lesson that America was to learn for the first time in the year from 1847 to 1852 And this is the theme of the book in which the author explores the state of our civilization after the war with Mexico Every aspect of American life is touched upon including the state of education popular culture religion and the impulse toward reform Dust jacket **Ordeal of the Union Volume 1: Fruits of Manifest Destiny, 1847-1852** Allan Nevins, 1947 The book will take its place as the standard history of the eighteen fifties Our armies in Mexico had won victory after victory But victory in war does not invariably spell an untroubled peace This was the lesson that America was to learn for the first time in the year from 1847 to 1852 And this is the theme of the book in which the author explores the state of our civilization after the war with Mexico Every aspect of American life is touched upon including the state of education popular culture religion and the impulse toward reform Dust jacket *Daniel Smith Donelson* Doug Spence, 2023-09-26 Richard Douglas Spence has written a biography of Daniel Smith Donelson a soldier and politician and the nephew of Andrew Jackson Spence begins with Donelson s upbringing at the Hermitage after Donelson s father died when he was five and follows Donelson s career as a planter militiaman state congressman and finally a general overseeing the Confederate Department of East Tennessee Fort Donelson was named in his honor and his brigades fought at Stones River Perryville and Murfreesboro before he was transferred to Charleston South Carolina He was posthumously promoted to major general after dying of disease on April 17 1863 at the age of sixty one *Benjamin Franklin Butler* Elizabeth D. Leonard, 2022-03-10 Benjamin Franklin Butler was one of the most important and controversial military and political leaders of the Civil War and Reconstruction eras Remembered most often for his uncompromising administration of the Federal occupation of New Orleans during the war Butler reemerges in this lively narrative as a man whose journey took him from childhood destitution to wealth and profound influence in state and national halls of power Prize winning biographer Elizabeth D Leonard chronicles Butler s successful career in the law defending the rights of the Lowell Mill girls and other workers his achievements as one of Abraham Lincoln s premier civilian generals and his role in developing wartime policy in support of slavery s fugitives as the nation advanced toward emancipation Leonard also highlights Butler s personal and political evolution revealing how his limited understanding of racism and the horrors of slavery transformed over time leading him into a postwar role as one of the nation s foremost advocates for Black freedom and civil rights and one of its notable opponents of white supremacy and neo Confederate resurgence Butler himself claimed he was always with the underdog in the fight Leonard s nuanced portrait will help readers assess such claims peeling away generations of previous assumptions

and characterizations to provide a definitive life of a consequential man Seeking Justice Daniel B. Thorp, 2025-08-13 The amazing story of one illegally enslaved Virginia family's dauntless legal appeal for freedom Before the Civil War brought emancipation to the South some enslaved people managed to use the legal system the same one that had concocted and long perpetuated their bondage to sue for their freedom from owners who unlawfully held them in slavery In Seeking Justice Daniel Thorp tells the story behind *Unis v Charlton*'s Administrator one of the most extensive of these freedom suits in all of American history It began when a woman known only as Flora was born in Connecticut and sold into slavery in Virginia Her children sued and over more than thirty years four cases involving almost fifty plaintiffs moved through the Virginia court system before finally reaching a conclusion in 1855 Seeking Justice narrates this remarkable saga illuminating Black Americans legal literacy and shining a light on the unusual permutations of the antebellum judicial world and the courage it took for Flora's family to plunge into the legal heart of a slave society The Constitution in Congress David P. Currie, 2007-12-01 This acclaimed series serves as a biography of the U S Constitution offering an indispensable survey of the congressional history behind its development In a rare examination of the role that both the legislative and executive branches have played in the development of constitutional interpretation The Constitution in Congress shows how the actions and proceedings of these branches reveal perhaps even more about constitutional disputes than Supreme Court decisions of the time The centerpiece for the fourth volume in this series is the great debate over slavery and how this divisive issue led the country into the maelstrom of the Civil War From the Jacksonian revolution of 1829 to the secession of Southern states from the Union legal scholar David P Currie provides an unrivaled analysis of the significant constitutional events the Wilmot Proviso the Compromise of 1850 the Kansas Nebraska Act the Lincoln Douglas Debates and Bleeding Kansas that led up to the war Exploring how slavery was addressed in presidential speeches and debated in Congress Currie shows how the Southern Democrats dangerously diminished federal authority and expanded states rights threatening the nation's very survival Like its predecessors this fourth volume of The Constitution in Congress will be an invaluable reference for legal scholars and constitutional historians alike **Skeptic** ,1978 Human Nature ,1979 New Times ,1978 **Politics and America in Crisis** Michael Green, 2009-12-30 This book unravels the political developments that made the Civil War unavoidable Politics and America in Crisis The Coming of the Civil War examines the developments between 1846 and 1861 that pushed the nation to war to see what they reveal about the North the South the people leading them and the issues separating them As shown here in the decade and a half before the actual outbreak of the war the mostly southern Democratic Party's fortunes veered from a presidential election victory in 1852 to the shocking loss of Abraham Lincoln in 1860 an event that marked the coming of age of the young antislavery Republican Party In examining that sharp reversal Politics and America in Crisis covers a wide range of key events including efforts to ban slavery in territories won in the Mexican American War the Dred Scott decision and John Brown's raids **Robert Toombs** Mark Scroggins, 2014-01-10

Robert Toombs of Georgia stands as one of the most fiery and influential politicians of the nineteenth century. Sarcastic, charming, egotistical, and gracious, he rose quickly from state office to congressman to senator in the decades before the Civil War. Though he sought sectional reconciliation throughout the 1840s and 1850s, he eventually became one of the South's most ardent secessionists. This thorough biography chronicles his days as a student and young lawyer in Georgia, his boisterous political career, his appointment as the Confederacy's first Secretary of State, his unsuccessful stint as a Confederate general, and his role as a proud unreconstructed rebel after the war. An exploration of Toombs' career reveals the political forces and missteps that drove him and people like him to want to secede from the United States.

Slavery and Racism in American Politics, 1776-1876 Michael C. Thomsett, 2020-01-17 From the very inception of the United States, few issues have been so divisive and defining as American slavery. Even as the U.S. was founded on principles of liberty, independence, and freedom, slavery advocates and sympathizers positioned themselves in every aspect of American influence. Over the centuries, the characterization of early American figures, legislation, and party platforms has been debated. The author seeks to clarify often unanswered or ignored questions about notable figures, sociopolitical movements, and their positions on slavery. From early legislation like the Fugitive Slave Law of 1793 to Reconstruction and the rise of the Ku Klux Klan, this book explores some of America's most controversial moments. Spanning the first American century, it offers a detailed chronology of slavery and racism in early U.S. politics and society.

Pistols & Petticoats Bob L'Aloge, 1995
Natural History, 1980 **Malingering** William Fuller, 1977 **New York Times Saturday Book Review Supplement**, 1977 *The Atlantic Monthly* James Russell Lowell, James Thomas Fields, William Dean Howells, Thomas Bailey Aldrich, Horace Elisha Scudder, Walter Hines Page, Bliss Perry, Ellery Sedgwick, 1979
