

EMOTIONAL INTELLIGENCE

For Beginners Emotional Intelligence

Glenn Cummings

For Beginners Emotional Intelligence:

Emotional Intelligence 2.0 Daniel Focus, 2019-11-11 If you're thinking to learn to understand your feelings and you want to improve your personal relationships the best solution for you is to start an inner journey to find your Emotional Intelligence. That means you will be able to reach a balance between mind and body, getting acquainted with your own feelings and juxtaposing them with other people's feelings. Goleman says that some characteristics of emotional competence are essential in order to live a full and emotionally balanced life. What will we be able to do with a high emotional intelligence? If we ever found a way to increase it, would we be the same? Now imagine you have taken a group of children at the park. One of them starts crying because the others don't want to play with him. What do you do? You stay out of it, you let the children handle the question themselves. You talk to him, trying to help him understand what to do. You try to calm him down gently. You try to distract the crying child with other possible toys or games. In which one of these four people do you reflect yourself? Only you know it, it's your little secret. I'm sure that after you realize how to take advantage of the main Emotional Intelligence technique for achieving your goals, your answer to the questions above will never be the same. Why? Because you've discovered you've understood you've become a better person. You will not be a better person to me, of course. Neither to the others. You will be a better person to yourself, and this is all that matters. So that you can have better social and familiar relationships, being able to grow more valuable relationships at work and having more possibilities to understand yourself too. All this is called MAJOR PSYCHOLOGICAL WELL BEING. Thanks to this book, you'll get acquainted with the 5 basic principles that rule the emotional intelligence. You'll be able to control your emotions, exploiting them to reach success at workplace. You'll be able to command the main technique to use in order to change your mind and increase your emotional intelligence. You will also get a plan of action to use immediately after the reading. Why do many people choose to study this very popular topic? Because Emotional Intelligence is more important than your technical abilities to reach professional growth. Because, thanks to this, people will listen to you and understand you better. Last but not least, because the lack of emotional intelligence makes us do terrible mistakes which can jeopardize our professional career. Don't wait and start studying now all these simple steps to become a better person. Remember that at the end of the book you will find a plan with all the tools that can help you practicing everything you've learned before. Trust me, it's not that difficult. Scroll to the top of the page and select the BUY NOW Button.

Emotional Intelligence for Beginners K. L. Hammond, 2018-01-23 Did you know that your IQ is only a tiny portion of your overall intelligence and that it doesn't necessarily indicate how successful you will be in life? If that's true, what is the most reliable indicator for the level of success you'll experience? Emotional intelligence, also known as EQ. In Emotional Intelligence: Emotional Intelligence for Beginners, you will learn What is Emotional Intelligence. In the introduction and throughout the book, we'll focus on giving you a comprehensive definition of this term and show you how it matters to you. Are you born with this type of intelligence or can it be developed? How can you develop it? The History of the Term Who

coined the term emotional intelligence How has it become a popular field of study in psychology and how has it changed the way we view personality How It Can Benefit You In what ways can developing your emotional intelligence benefit you in life What specific areas will it give you advantages in you will find out throughout this book How is EQ Measured How are you supposed to know where you stand with your emotional intelligence also called your EQ currently And once you know how can you improve it And more If you are ready to take your life into your own hands and improve your motivation self control empathy and become a better personal all around it's time to learn all you can about EQ **EMOTIONAL INTELLIGENCE FOR BEGINNER** Dale Eckhart, 2021-05-02 55% OFF for Bookstores NOW at 15.29 instead of 33.97 LAST DAYS Do you want to understand emotional intelligence better A good place to start with setting small goals for yourself is to pick one of the components of emotional intelligence These components are self awareness self management social awareness and relationship management If you don't know where to start a good entry level point is with self awareness since the other components and skills build off of your own self awareness However if you have already mastered self awareness or have already made strides in being aware of your thoughts emotions and reactions you might want to start somewhere else Wherever you start keep in mind that the skills build off each other and starting with relationship management before improving social awareness might not be as effective without the precursory knowledge Unless you have already mastered self awareness self management and social awareness it is not recommended that you begin working on relationship management until the other three aspects have been thoroughly improved This book covers Leadership and Self Awareness Ways To Improve Empathy Tips In Developing Social Skills Emotional Intelligence And Motivation Developing Communication and Social Skills Identifying Stressors And Manage Them Outside Work Emotional Intelligence In Normal Life Requisite Skills For The Development Of EQ And much more 55% OFF for Bookstores NOW at 15.29 instead of 33.97 LAST DAYS You will Never Stop Using this Awesome Book Buy it NOW and let your customers get addicted to this amazing book **Emotional Intelligence For Dummies** Steven J. Stein, 2009-07-13 Straightforward guide to taking control of your emotions Being aware of and in control of your emotions is one of the keys to success in life both professionally and personally Emotional Intelligence For Dummies will show you how to take control of your emotions rather than letting your emotions control you Discover how developing your emotional intelligence can further your relationships with others in the workplace and at home Emotional awareness is also a critical skill for career success and Dr Stein provides practical exercises for developing this skill and achieving your professional and personal goals He also provides valuable insights into how emotional intelligence can be applied to raising children and teenagers and realizing personal happiness Full of lively anecdotes and practical advice Emotional Intelligence For Dummies is the ideal book for anyone who wants to get smart about their feelings and reach the next level at work and at home Manage your emotions identify your feelings determine what beliefs cause negative emotions and stop self destructive behaviors Discover the power of empathy read other people's

emotions through facial cues and body language and show them you understand their feelings Thrive at work find a job that s right for you overcome hassles and fears and develop your leadership skills Build and sustain meaningful relationships discover how to take your partner s emotional temperature and manage emotions to grow closer Raise an emotionally intelligent child keep your cool with your child coax shy children out of their shells and get your child to be less aggressive and defiant
