

New York

Ric Burns,James Sanders,Lisa Ades

New York:

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

New York Ric Burns, James Sanders, Lisa Ades, 2021-11-23 An expanded edition of the only comprehensive illustrated history of New York with more than 600 ravishing photographs and illustrations that tells the remarkable 400 year long story of the city from its beginning in 1624 up to the current moment The companion volume to the acclaimed PBS series This landmark book traces the spectacular growth of New York from its initial settlement on the tip of Manhattan through the destruction wrought by the Revolutionary War to its rise as the nation's premier commercial capital and industrial center and as a magnet for immigrant hopes and dreams in the 19th century to its standing as a beacon of modern culture in the 20th century and as a worldwide symbol of resilience in the 21st century The story continues here with new chapters delivering a sweeping portrait of New York at the dawn of the 21st century when it emerged after decades of decline to assert its place at the very center of a new globalized culture Here is a city challenged indeed sometimes shaken to its core by a series of profound crises the aftermath of 9 11 the continual struggle with racial injustice the financial crisis of 2008 the devastation of Superstorm Sandy the still unfolding cataclysm of the COVID 19 pandemic whose earliest and deadliest urban epicenter was New York itself Here too is a lively portrait of the city's vibrant street life and culture the birth of hip hop in the South Bronx Christo and Jeanne Claude's Gates in Central Park the musicals of Broadway the explosion in location filmmaking in every borough the pivotal rise of the tech industry and so much more The history of this city especially in the tumultuous and transformative two decades detailed in the new chapters is an epic story of rebirth and growth an astonishing transfiguration still in progress of the world's first modern city into a model and prototype for the global city of the future New York

Raymond C. Nelson, 2017-09-03 How can a city grow into a nation's largest metropolis in less than 500 years? This is the story of one of the greatest cities in the world: New York. A city that has grown economically and culturally beyond imagining into a prosperous metropolis with one of the most diverse populations in the nation. A city that fought for equality and civil rights and has been the epicenter of social progress and a source of inspiration throughout the world. With *New York Guide to NYC History of New York Where the Most Important People Places and Events Shaped the History of New York City* Raymond C. Nelson takes readers on a tour through time of the Big Apple. You'll meet the culture that inhabited New York for thousands of years before Europeans discovered the new continent. Glimpse the city's early colonial days as settlers traded and farmed on Manhattan and in Brooklyn. Watch the city grow prosperous through trade and exploitation. See New York gain independence from British rule. Look at the population explode through the 19th century and witness the events that made it the financial center of the United States of America. Learn about New York's landmarks and essential places to see and visit. Whether you live in New York City or are planning a visit, *New York Guide to NYC History of New York Where the Most Important People Places and Events Shaped the History of New York City* is an excellent way to learn more about America's largest city. Don't miss anything that New York has to offer. *A People's Guide to New York City* Carolina Bank Muñoz, Penny Lewis, Emily Tumpson Molina, 2022-01-25 This alternative guidebook for one of the world's most popular tourist destinations explores all five boroughs to reveal a people's New York City. The sites and stories of *A People's Guide to New York City* shift our perception of what defines New York, placing the passion, determination, defeats, and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this book shows you where to look to find them. New York City is a preeminent global city serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function: immigrants, people of color, and the working classes reside largely in the so-called outer boroughs outside the corporations, neon, and skyscrapers of Manhattan. *A People's Guide to New York City* expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn, and Staten Island, as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and freedom have shaped the very landscape of the city. *The New New York* John Charles Van Dyke, 1909 *Naming New York* Sanna Feirstein, 2001-04 New Yorkers are surrounded by hundreds of place names, from those that survive from Manhattan's earliest days as a Dutch trading post to those that reflect the city's rich

colonial African and immigrant heritage This street by street guide enriches one's experience of the city and transforms a simple neighborhood errand into a trip through time 12 maps **New York by Sunlight and Gaslight** James D. McCabe,1881 *Lights and Shadows of New York Life* James D. McCabe,1872 **The Little Book of New York** Orange Hippo!,2021-09-16 New York City is one of the most visited cities in the world attracting about 65 million visitors every year On first impression it is loud busy and expensive with New Yorkers fighting against the crowds to get to the other side of 42nd Street and yellow taxicabs speeding down Broadway Many residents are squeezed into tenement buildings and skyscrapers where rents are sky high and apartments are small but still there's something special about America's beloved Big Apple Packed with trivia historical facts and more The Little Book of New York tells you all you need to know about the city that never sleeps From its iconic landmarks to the world class museums and theaters that put NYC on the world map this manual is a must for those who love the Big Apple for those who are yet to visit and for those desperate to return London is satisfied Paris is resigned but New York is always hopeful Always it believes that something good is about to come off and it must hurry to meet it Dorothy Parker In nineteenth century New York enough oysters were consumed to use their shells to pave Pearl Street in Manhattan and to use as lime for the Trinity Church masonry *The Restless City* Joanne Reitano,2010-07-01 The Restless City A Short History of New York from Colonial Times to the Present is a short lively history of the world's most exciting and diverse metropolis It shows how New York's perpetual struggles for power wealth and status exemplify the vigor creativity resilience and influence of the nation's premier urban center The updated second edition includes nineteen images and brings the story right up through the mayoral election of 2009 In these pages are the stories of a broad cross section of people and events that shaped the city including mayors and moguls women and workers and policemen and poets Joanne Reitano shows how New York has invigorated the American dream by confronting the fundamental economic political and social challenges that face every city Energized by change enriched by immigrants and enlivened by provocative leaders New York City's restlessness has always been its greatest asset *Secret New York* Robert Sietsema,1999 There are dozens of published guides to New York City nearly all of them covering the same well trodden territory of pricey restaurants major hotels and shopping Here New York insider and Village Voice columnist Robert Sietsema has assembled a topic focused book to get the most bang for your buck from cheap eats or hidden sites to Metrocards *Forgotten New York* Kevin Walsh,2006-09-26 Forgotten New York is your passport to more than 300 years of history architecture and memories hidden in plain sight Houses dating to the first Dutch settlers on Staten Island yellow brick roads in Brooklyn clocks embedded in the sidewalk in Manhattan bishop's crook lampposts in Queens and a white elephant in the Bronx this is New York and this is your guide to seeing it all Forgotten New York covers all five boroughs with easy to use maps and suggested routes to hundreds of out of the way places antiquated monuments streets to nowhere and buildings from a time lost Forgotten New York features Quiet Places Truly Forgotten History Happened Here What Is This

Thing Forgotten People And so much more *Broadway* Fran Leadon, 2018-04-17 An eye opening history of Manhattan told through its most celebrated street In the early seventeenth century in a backwater Dutch colony there was a wide muddy cow path that the settlers called the Brede Wegh As the street grew longer houses and taverns began to spring up alongside it What was once New Amsterdam became New York and farmlands gradually gave way to department stores theaters hotels and finally the perpetual traffic of the twentieth century s Great White Way From Bowling Green all the way up to Marble Hill Broadway takes us on a mile by mile journey up America s most vibrant and complex thoroughfare through the history at the heart of Manhattan Today Broadway almost feels inevitable but over the past four hundred years there have been thousands who have tried to draw and erase its path Following their footsteps we learn why one side of the street was once considered more fashionable than the other witness the construction of Trinity Church the Flatiron Building and the Ansonia Hotel the burning of P T Barnum s American Museum and discover that Columbia University was built on the site of an insane asylum Along the way we meet Alexander Hamilton Emma Goldman Edgar Allan Poe John James Audubon Bill the Butcher Poole and the assorted real estate speculators impresarios and politicians who helped turn Broadway into New York s commercial and cultural spine Broadway traces the physical and social transformation of an avenue that has been both the Path of Progress and a street of broken dreams home to both parades and riots startling wealth and appalling destitution Glamorous complex and sometimes troubling the evolution of an oft flooded dead end to a canyon of steel and glass is the story of American progress *The Big Onion Guide to New York City* Seth I. Kamil, Eric Wakin, 2012-04-01 A guide to a variety of witty informative walking tours in New York City Whether you re a tourist or a native New Yorker you will appreciate this witty informative walking guide to New York City as authors Seth Kamil and Eric Wakin peel back the layers of New York s most popular neighborhoods Here in one volume are their award winning tours In their Immigrant New York tour you can take a walk on the Bowery the most infamous street in the city and learn how the city s finest roadway became America s Skid Row In Before Stonewall you ll discover the many facets of gay and lesbian history and trace the development of Greenwich Village as a cultural mecca From SoHo to the Upper West Side from Harlem to Brooklyn there s something in The Big Onion Guide for everyone The authors show how it was nothing new when Mayor Giuliani was unable to ban sales by immigrant mobile food vendors The Guide takes us to the place where the Dutch tried to ban street side sales by Scottish peddlers 350 years ago and where the great Fiorello La Guardia banned most of the pushcart salesmen at midcentury But Kamil and Wakin are not nostalgists or preservationists Instead their historical tours connect today s city with the snapshots of yesterday blending social and cultural history with the evolution of different ethnic and cultural communities The Big Onion Guide includes ten walking tours plus a 5 borough driving tour peppered with informative sidebars illustrations and photos from the collection at the New York Historical Society Visit the Big Onion Guide to New York City site at www.nyupress.org/bigonion **The Ultimate Book of New York Lists** Bert Randolph Sugar, C. N. Richardson, 2009-11-15 Where can you find

New York City's best hamburger What are the ten best songs ever written about New York The ten best books set in New York Bert Randolph Sugar and some famous friends answer these burning questions helping both New Yorkers and tourists learn what makes the greatest city on earth so great With a foreword by legendary newspaperman Bill Gallo of the New York Daily News and lists from celebrity New Yorkers like Pete Hamill and Howard Stern this is a book no lover of New York City should be without

Data Book, Operating Banks and Branches ,1991 **Mental Health Directory** National Institute of Mental Health (U.S.),1973 *New York* Sarah M. Henry,Museum of the City of New York,2014-11 Few cities make your heart race faster just by standing on their streets but New York exerts an influence that stretches far beyond the city's limits

New York The Story of a Great City tells concisely and entertainingly how the city developed from the land inhabited by the Lenape people to the great metropolis it is today Organized both thematically and chronologically the book brings the city's history to life The book contains stunning images as well as documents printed on the page including diary extracts immigration papers maps newspaper clippings playbills letters and posters All go to highlight the ups and downs of the city's past As Agatha Christie once said It is ridiculous to set a detective story in New York City New York City is itself a detective story Now the reader can discover that story in the comfort of his or her own armchair *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* ,1979 **The International Studio; an Illustrated Magazine of Fine and Applied Art** ,1925
