Newswriters Handbook An Introduction To Journalism:

Newswriter's Handbook M. L. Stein, Susan F. Paterno, R. Christopher Burnett, 2006-07-10 Reflecting the fast changing world of print journalism the Second Edition of Newswriter's Handbook An Introduction to Journalism is fully updated and expanded Authors and experienced journalists Stein Paterno and Burnett have refined this edition to more fully address contemporary issues Coverage includes greater emphasis on recent legal trends involving journalism the ethical scandals that in recent years have strained the credibility of news organizations large and small a new section on obituary writing and increased attention to opportunities on the World Wide Web From spot or hard news to features news features editorials and opinions the Newswriter's Handbook shows how to develop news judgment how to write accurately and fairly how to organize a story and write it clearly how to handle the complexities of honesty and ethics in journalism and how to cover traditional beats and prepare to specialize Loaded with examples from the largest dailies to respected state capital city newspapers and campus publications Newswriter's Handbook Second Edition teaches students the writing and reporting skills necessary in today's job market while exciting them about the possibilities of a career in the news business

MediaWriting W. Richard Whitaker, Ronald D. Smith, Janet E. Ramsey, 2013-03-01 MediaWriting is an introductory hands on textbook for students preparing to write in the current multimedia environment Rather than just talk about the differences among the styles of print broadcast and public relations MediaWriting synthesizes and integrates them while weaving in basic principles of Internet writing and social media reporting Complete with real world examples practical writing exercises and tips and information for entering into the profession MediaWriting continues to give students the tools they need to become a successful media writer The new edition has been extensively rewritten to reflect the dynamic nature of the profession paying significant attention to how the Internet and social media have become essential communication tools for print and broadcast journalists and public relations professionals Further updates and features include Increased attention to computer assisted reporting the preparation of online copy and social media applications Two new chapters on lead writing and new new media A separate chapter focused solely on ethics Explanatory how to boxes that help students understand and retain main themes Illustrative It Happened to Me vignettes from the authors professional experiences Discussion questions and exercises at the end of every chapter Suggested readings that highlight biographies books and websites that expand the scope and definition of professionalism In addition to new multimedia elements the fourth edition's companion website features enhanced resources for both students and instructors including chapter overviews writing tips a test bank sample critiques and a sample syllabus

Covering Your Campus Matt Nesvisky, 2008 Newsrooms and campus newsrooms are no exception are chaotic fast paced and lively That's why we love them But reporting news is an important business and everyone involved in that business needs some guidance and structure Covering Your Campus provides the advice rules guidelines and encouragement that every campus newspaper staff needs without talking down to students or telling them

what to do The reporters and editors of campus newspapers aren't yet professional journalists but courts have determined that student journalists share the rights and responsibilities of professionals just as much as campus newspapers are genuine community publications Laying down the foundation for a healthy publication *Covering Your Campus* further helps guide students toward making their newspapers and websites even more indispensable to their campus community life Its aim which it shares with the student journalists it addresses is to make the news opinions and entertainment offered in student publications reliable and highly esteemed

Environment Reporters in the 21st Century James Simon, JoAnn Myer Valenti, David B. Sachsman, 2011-12-31 *Environment Reporters in the 21st Century* is the story of a relatively new journalistic beat environmental reporting This book explores the development of the environmental beat as a specialty during the last thirty years It also discusses broader trends within American journalism resulting from technological changes that challenge traditional mediums especially newspapers and magazines The book is divided into three parts The first reviews the literature and explains the methodology The second describes the results of the authors research The third provides in depth accounts of environment reporters at work A final chapter puts the research in historical perspective viewing it in terms of the economic decline of the newspaper business and of local television news Journalists mediate a constant struggle among thousands of environmental activists corporate public relations people government officials and scientists to shape environmental reporting This volume tells the story of environmental reporting imaginatively and innovatively **Javnost**
