Next Development In Man:

The Next Development of Mankind Lancelot Whyte, 2017-09-29 This searching examination of human development provides new perspectives on the moral political scientific emotional and intellectual divisions of our time A physicist by profession Whyte looked beyond the boundaries of specialization for creative ways to approach the basic problem facing modern Western civilization Why are we so competent technically and yet unable to order our own affairs socially and personally He takes the reader with him on a journey that is nothing less than a new interpretation of the general development of human consciousness Whyte s thesis is that the current stage of human development makes not only necessary but inevitable constructing a unitary method of thought to overcome the dualism of the modern Western mind He argues that the deepest troubles of Western civilization are due in large part to excessive reliance on the ancient Greek postulates of permanence and invariance as an ordered form of thought resulting in an extreme mechanistic anti humanism What culminated in two world wars Whyte argued is a European dissociation or lesion This dissociation represents an achievement in terms of rational mastery of the natural and human worlds unique social dynamism and differentiation and the flowering of individuality But the price was high disordering of thought emotion and will conflict between our deliberate and spontaneous conscious and unconscious energies unstable polarization between a delusive unchanging ideal world and the reality of human transience and limitation Whyte chooses nine thinkers to illustrate this historical and evolutionary movement including Heraclitus Marx and Freud and the resulting rignettes are a synthesis of knowledge that suggest as well a reorientation of thought feeling and action for the future Lewis Mumford wrote of The Next Development of Mankind The book has intense and immediate value both for the practical person and for the theoretic thinker Sixty years a **The Next Development in Man** Lancelot Law Whyte, 1950 The Next Development in Man. Enjoying the Track of Phrase: An Mental Symphony within **Next Development In Man**

In some sort of used by monitors and the ceaseless chatter of instant conversation, the melodic beauty and emotional symphony developed by the published term frequently fade in to the back ground, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, situated within the pages of **Next Development In Man** a stunning fictional value overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that charming masterpiece conducts viewers on an emotional journey, well unraveling the hidden tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the emotional assessment, we shall investigate the book is central harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
