the responsibility to find out that nasty creature to Anderson Timp but he could not find that out On the day after Eliza reported at the dining table about the atrocities happened on her and Jane burst out on Lashmotricker accusing her to be the cause of all the atrocities in the palace Lashmotricker could not bear anymore She requested all her guests to leave her palace on the coming Monday itself as they wished but not to stay even a day more after that They felt bad when Lashmotricker died even before that Monday itself Jane became completely bewildered and dumbfounded when she came to know that Lashmotricker bequeathed all her properties to her None of them could understand why she bequeathed all her properties to Jane But for all of them the confusion continued They just could not understand what type of woman that Lashmotricker was A steamy hot romantic thriller
