**Nice Jewish Girl** Judith Krantz,2000-05-11 Dear Reader As I was about to start my eleventh novel I abruptly realized that I was making a huge mistake On the verge of launching into the imagined world of a twenty eight year old I felt an intense need to tell another story the story of a woman I know through and through a woman with more wealth of experience a woman who s seen more real glamour known more fascinating people lived in a world of more sophistication and arrived at more hard won maturity than that twenty eight year old could hope for in short my own story I ve tried to remain as unknowable as possible the better to let my heroines hold the stage but now I was ready to tell the truth about myself with no holding back I ve had a different life from that of the majority of women of my generation and background While I seemed like another nice Jewish girl underneath that convenient cover I d traveled my own inner directed path and had many a spicy and secret adventure I grew up in a complicated tangle of privilege family problems and tormented teenaged sexuality After a riotous education at Wellesley my life was turned upside down by a glorious year in Paris marked by an intense but ill starred romance I spent the next half decade in New York sowing lighthearted wild oats until I finally met my true love to whom I ve been married for forty six years When I was fifty I had an utterly unexpected almost unbelievable success as a number one bestselling novelist that has continued for book after book Challenging lucky exciting and often devastatingly askew my life seems to have been lived under a wild and antic star I ve had as much amazing fun as my heroines and here s the book to prove it Judith Krantz

### **Queer Jewish Strangers in American Popular Culture** Amy Tziporah

Karp,2023-12-19 Queer Jewish Strangers in American Popular Culture Life Between Assimilation and Otherness explores LGBTQIA Jewish American identity in the United States and the queer Jewish stranger figures who live in between incorporation and estrangement Amy Tziporah Karp establishes that despite the near ubiquitous portrayal of Jewish American assimilation as a finished project completed in the wake of World War II in academic disciplines and throughout popular culture many LGBTQIA Jewish figures in contemporary popular culture inhabit stranger positionalities In these stranger spaces characters are forced to either perpetually attempt to assimilate or inhabit this interstitial stranger identity that is often viewed as a nowhere or homeless space Those who pursue assimilating endlessly try to fit in to no avail such as Jenny Schecter from Showtime s popular The L Word who is ultimately killed off on the show possibly murdered by her

LGBTQIA community of friends Karp shows that those who attempt to make a home in a stranger positionality align themselves with other estranged and othered peoples such as characters throughout Sarah Schulman's novels and that this constitutes an ethical stance against the ways in which assimilation often inadvertently supports the workings of violent hegemonies in the United States     **The Jewish Women's Studies Guide** Sue Levi Elwell, 1987-07-21 Originally published in 1982 by Biblio Press the second edition has been updated and substantially revised and now includes 18 syllabi covering fields of history sociology theology psychology literature and informal adult education Co published with the Biblio Press
