Mexicanos Manuel G. Gonzales, 2000 A lively original interpretive history of Mexicans in the United States **The Making of Chicana/o Studies** Rodolfo Acuña, 2011 The Making of Chicana o Studies traces the philosophy and historical development of the field of Chicana o studies from precursor movements to the Civil Rights era to today focusing its lens on the political machinations in higher education that sought to destroy the discipline As a renowned leader activist scholar and founding member of the movement to establish this curriculum in the California State University system which serves as a model for the rest of the country Rodolfo F. Acuña has for more than forty years battled the trend in academia to deprive this group of its academic presence The book assesses the development of Chicana o studies an area of studies that has even

more value today than at its inception myths about its epistemological foundations have remained uncontested Acuña sets the record straight challenging those in the academy who would fold the discipline into Latino studies shadow it under the dubious umbrella of ethnic studies or eliminate it altogether Building the largest Chicano studies program in the nation was no easy feat especially in an atmosphere of academic contention In this remarkable account Acuña reveals how California State University Northridge was instrumental in developing an area of study that offers more than 166 sections per semester taught by 26 tenured and 45 part time instructors He provides vignettes of successful programs across the country and offers contemporary educators and students a game plan the mechanics for creating a successful Chicano studies discipline and a comprehensive index of current Chicano studies programs nationwide Latinas/os of which Mexican Americans are nearly seventy percent comprise a complex sector of society projected to be just shy of thirty percent of the nation's population by 2050 *The Making of Chicano Studies* identifies what went wrong in the history of Chicano studies and offers tangible solutions for the future *Occupied America* Rodolfo Acuña,1972 ***Occupied America*** Rodolfo Acuña,1981
