Ocean Fuzzy Felts:

Fuzzy Ocean Erin Ranson, 2017-04-01 **The Ocean's Daughter** Corinne Beenfield, 2020-01-29

As I was reading I felt like I appreciated anew all of the beautiful and sacred aspects of love I cried and felt like I had found something inside of myself that I'd lost I know I've found one of those books that becomes a heart friend one that you read once a year every year for the rest of your life

Laura Brower Goodreads Reviewer for *The Ocean's Daughter* In arm's reach of *The Snow Child* and *The Light Between Oceans* author Corinne Beenfield brings us a breathtaking tale that reminds us the difference between the ordinary and the extraordinary is often no difference at all

Helen Danner never wanted to return to the empty seaside cottage Yet six harrowing months after tragedy struck her family she gets news Operation Pied Piper England's attempt to save the children of the war is sending young refugees to Wales So she packs her bags and finds herself at the last place in the world she hoped to be There facing the ocean she asks it to send her just one child Someone to again love And then a strange little girl shows up in her life

Lyric as Helen calls her can swim beyond any adult's ability doesn't feel cold and foreign seashells often seem to be waiting for her And why won't she speak Where is her luggage There are no records of Lyric or a mother and father With the belief that they are dead or undeserving Helen begins to love the girl as her own But as Helen unravels the truth about a world that wants her girl back she must face a question she doesn't know if she is still strong enough to answer Do you choose to love even if you have to let go

Readers are Loving *The Ocean's Daughter* This is just one of those books that warms your soul Gorgeously written with beautiful analogies and just a touch of magic It made me cry multiple times as a mom who always wanted her life to be filled with children Put it on your must read list

Mallory Pierce I would have given this book more stars if they would have let me This book is a jewel Thank you Stephanie My favorite part of this book is the way the author can construct the love a parent has for a child This type of love is so hard to describe but she does it perfectly I genuinely felt like her book gives words to how my heart and soul feel about my own children

Tessa Taylor A beautiful work of art painted with words This book had me laughing one minute and crying the next I absolutely loved it

Wendy Wall The author has a unique talent to create a magical fantasy intertwined with real life events I felt like I was there and got to experience a whimsical adventure while being grounded in a believable story

Amy Peterson I was sucked into the story and thought about it when I wasn't reading it and wished I were reading it which is about all I can ask for in a book

Lola Copeland It was not only riveting but it was completely beautiful It spoke to me as a mother and a woman Corinne has a captivating writing style that connects you with the characters I wept with them more than once while reading this

Megan Lloyd I found myself crying both tears of joy and sadness alongside the characters as moments reminded me of my own experiences with my daughter And the romance did not disappoint either

Kelly Birch I knew as soon as I started reading that I wouldn't be able to put this book down That was yesterday I was so sucked in The words are so rich alive on the page and so sharp you can feel them I loved this heartwarming and heartbreaking story
