Grokking Simplicity Eric Normand, 2021-07-13 The most insightful and intuitive guide to clean and simple software I recommend this to all software developers Rob Pacheco Vision Government Solutions *Grokking Simplicity* is a friendly practical guide that will change the way you approach software design and development Distributed across servers difficult to test and resistant to modification modern software is complex *Grokking Simplicity* is a friendly practical guide that will change the way you approach software design and development It introduces a unique approach to functional programming that explains why certain features of software are prone to complexity and teaches you the functional techniques you can use to simplify these systems so that they re easier to test and debug Purchase of the print book includes a free eBook in PDF Kindle and ePub formats from Manning Publications About the technology Developers rightly fear the unintended complexity that infects most code This book shows you how to write software that keeps complexity close to its inherent minimum As you write software you should distinguish between code that alters your system s state and code that does not Once you learn to make that distinction you can refactor much of your state altering actions into stateless calculations Your software will be simpler About the book The book also teaches you to solve the complex timing bugs that inevitably creep into asynchronous and multithreaded code In ad vanced sections of the book you learn how composable abstractions help avoid repeating code and open up new levels of expressivity What s inside Patterns for simpler code Powerful time modeling approaches to simplify asynchronous code How higher order functions can make code reusable and composable About the reader For intermediate and advanced developers building complex software Exercises illustrations self assessments and hands on examples lock in each new idea About the author Eric Normand is an expert software developer who has been an influential teacher of functional programming since 2007 Table of Contents 1 Welcome to *Grokking Simplicity* 2 Functional thinking in action PART 1 ACTIONS CALCULATIONS AND DATA 3 Distinguishing actions calculations and data 4 Extracting calculations from actions 5 Improving the design of actions 6 Staying immutable in a mutable language 7 Staying immutable with untrusted code 8 Stratified design part 1 9 Stratified design part 2 PART 2 FIRST CLASS ABSTRACTIONS 10 First class functions part 1 11 First class functions part 2 12 Functional iteration 13 Chaining functional tools 14 Functional tools for nested data 15 Isolating timelines 16 Sharing resources between timelines 17 Coordinating timelines 18 Reactive and onion architectures 19 The functional journey ahead [Music Business Handbook and Career Guide](#) David Baskerville, Tim Baskerville, Serona Elton, 2022-11-16 The Thirteenth Edition of this powerhouse best selling text maintains its tradition as the most comprehensive up to date guide to the music industry in all of its diversity Readers new to the music business and seasoned professionals alike will find David Baskerville Tim Baskerville and Serona Elton s handbook the go to source regardless of their specialty within the music field *Music Business Handbook and Career Guide* is ideal for introductory courses such as Introduction to the Music Business Music and Media and other survey courses as well as more specialized

courses such as the Record Industry Music Careers Artist Management and more The fully updated Thirteenth Edition includes a comprehensive discussion of the streaming revolution where this predominant form of music consumption stands today and is heading in the future Rapid changes in music licensing are addressed and how they impact creators musical work performance licensing compulsory and negotiated mechanicals and sound recording licenses The new edition also analyzes the changing picture of music video and shows how music video has been upended by on demand streaming Lastly there is all new coverage of COVID 19 and how the concert industry has been impacted as well as digital advances that have been made

Authoritarianism, Informal Law, and Legal Hybridity Ihsan Yilmaz, 2022-04-06 This book investigates Turkey's departure from a flawed democracy under Kemalist secularism and its transitioning into Islamist authoritarianism through the lenses of informal law legal pluralism and legal hybridity In doing so it examines the attempts of Turkey's ruling party AKP at social engineering and gradual Islamisation of the Turkish state and society by using informal Islamist laws To that end the book argues that the AKP has paved the way for Islamist legal hybridity where society state and law are being gradually Islamised on an ad hoc basis Informal law and legal pluralism in Turkey have had a non state characteristic which have permitted Muslims to solve disputes by seeking the opinions of religious legal scholars Yet under the AKP rule this informal legal system has become increasingly dominated by conservatives sometimes radical Islamists which the governing party has taken advantage of by either formalizing some parts of the informal Islamist law or using it informally to mobilize its supporters against the opposition
