The Heavenly Arcana Contained in the Holy Scriptures, Or Word of the Lord, Unfolded, Etc. [Translated by John Clowes. With the Text of Genesis and Exodus.]** Emanuel Swedenborg,1840    **AN EXPOSITION OF THE PARABLES** Benjamin Keach,2023-12-23 Originally written in 1701 this classic work has seen several reprinted versions in the nineteenth century and beyond In this volume Benjamin Keach introduces each parable as a sermon with lessons that help the reader find application Keach s thorough familiarity with Scripture shines in every page of this study as he compares epistle messages and Old Testament commands with the lessons of each parable providing the reader wide and deep access to scriptural study surrounding the parables    **Moving Your Invisible Boundaries** Dr. Jim Richards,2013-08-09 Have you ever set goals trained for maximum results and followed the same personal development plan that seems to work for everyone else only to hit an invisible boundary that causes you to fall short Unless you know how to expand your heart you will sabotage any success that might take you beyond your current heart boundaries Even if you manage to push past your current heart boundaries chances are you will experience some catastrophic event that pulls you back within the limits of life as you have known it Moving Your Invisible Boundaries is the result of forty years of research and clinical practice These principles have been proven in counseling sessions drug recovery programs personal mentoring and by thousands who have put them into practice through Dr Jim Richards Heart Physics Programs This book is designed to take you past information past self growth and into a life that experiences God His promises and the resurrection life of Jesus By discovering and implementing the distinctions between the mind and the heart you will experience the secret to limitless living Rather than just hearing and reading the transformation stories of others your life will be a transformation story When you learn how to change your heart you will be able to move your invisible boundaries and begin to experience the joy of limitless living    **The New Century Shakespeare** William Shakespeare,1900    **Deconstruction and Reconstruction in Yhwh's Universal Project** Louismary Ocha,2022-01-27 Taking its bearing from the mission statement in prophet Jeremiah s vocation narrative Jer 1 10 the book examines YHWH s events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a prophet of woes and laments thereby limiting his

prophecies to only oracles of destruction hence total annihilation Rather it investigates Jeremiah s prophecies as flying with two wings oracles of judgement and oracles of salvation In other words the oracles are not only against the nations but also for the nations With the exile of the Israelites and their restoration to the land in view according to the book of Jeremiah YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel s history In like manner the book portrays the abiding divine presence in the history of humankind in general Therefore Israel is only used to form a bridge of YHWH s concern for the nations hence the entire humanity As YHWH sets the history of Israel in motion so He performs for the rest of humanity The goal of which has always been for the good and salvation of humankind of which the culmination is in the person and advent of Jesus Christ      **Outlook** Alfred Emanuel Smith,Francis Walton,1871
