

# New York Cop

**Michael Daly**

## **New York Cop:**

**The Job** Steve Osborne, 2016-03-22 A nice quiet night During his two decades on the force if you asked NYPD officer Steve Osborne how things were going that's what he'd tell you On a stakeout Nice quiet night Drive by shooting Nice quiet night Now with The Job he's ready to talk and does he have some stories to tell Most civilians get their information about police work from television shows which are pure fantasy Here Osborne takes us into his world the gritty and not so glamorous life of real street cops And along the way he finds humor and soul searching humanity in the most unlikely places For anyone interested in knowing what a cop's life is all about this is a must read **The New York Cops** Gerald Astor, 1971 We're the Police Tony Dellavalle, 2014-10-21 A Police Officer's job can't be told in just one story That's not what being a street cop is like Real street cops handle dozens of jobs in a single day and the jobs vary from one extreme to the other WE RE THE POLICE is a collection of 50 short stories from the author's days of serving as a Police Officer and Detective in the NYPD Recounted to you by the author they are told just as they happened one job at a time These stories are true accounts and vary in a manner which gives you a great example of the everyday work a street cop can face WE RE THE POLICE will intrigue and entertain you as you gain a new appreciation for the job of a New York City Police Officer New York City Police Joshua Ruff, Michael C. Cronin, 2012 New York City one of the world's premier urban centers is also home to the world's most famous and storied municipal law enforcement service the NYPD Policing in New York is as old as the city itself although much has changed since the first Dutch rattle watch patrolled streets in the 1620s Technological improvements advancing professional standards and historical moments like the 1898 consolidation of New York City and the terrorist attack of September 11 2001 have each profoundly changed the way New York City police officers do their jobs Still as New York City Police emphasizes certain elements of the job remain true through the decades and centuries Being a police officer in New York City has always involved a certain amount of danger sacrifice and public coordination

Turnaround William Bratton, Peter Knobler, 2009-03-04 When Bill Bratton was sworn in as New York City's police commissioner in 1994 he made what many considered a bold promise The NYPD would fight crime in every borough and win It seemed foolhardy even everybody knows you can't win the war on crime But Bratton delivered In an extraordinary twenty seven months serious crime in New York City went down by 33 percent the murder rate was cut in half and Bill Bratton was heralded as the most charismatic and respected law enforcement official in America In this outspoken account of his news making career Bratton reveals how his cutting edge policing strategies brought about the historic reduction in crime Bratton's success made national news and landed him on the cover of Time It also landed him in political hot water Bratton earned such positive press that before he'd completed his first week on the job the administration of New York's media hungry mayor Rudolph Giuliani threatened to fire him Bratton gives a vivid behind the scenes look at the sizzle and substance and he pulls no punches describing the personalities who really run the city Bratton grew up in a working class Boston

neighborhood always dreaming of being a cop As a young officer under Robert di Grazia Boston's progressive police commissioner he got a ground level view of real police reform and also saw what happens when an outspoken dynamic reform minded police commissioner starts to outshine an ambitious mayor He was soon in the forefront of the community policing movement and a rising star in the profession Bratton had turned around four major police departments when he accepted the number one police job in America When Bratton arrived at the NYPD New York's Finest were almost hiding they had given up on preventing crime and were trying only to respond to it Narcotics Vice Auto Theft and the Gun Squads all worked banker's hours while the competition the bad guys worked around the clock Bratton changed that He brought talent to the top and instilled pride in the force he listened to the people in the neighborhoods and to the cops on the street Bratton and his dream team created Compstat a combination of computer statistics analysis and an unwavering demand for accountability Cops were called on the carpet and crime began to drop With Bratton on the job New York City was turned around Today New York's plummeting crime rate and improved quality of life remain a national success story Bratton is directly responsible and his strategies are being studied and implemented by police forces across the country and around the world In Turnaround Bratton shows how the war on crime can be won once and for all **New York Exposed** Daniel J. Czitrom, 2016 An unforgettable portrait of a formative moment when muckraking journalism and urban reform were beginning to alter the American social and political landscape **Good Cop, Bad Cop** Joseph Trimboli, Mike McAlary, 1996 From award winning journalist Mike McAlary comes an unforgettable account of the worst case of police corruption to rock New York since Frank Serpico testified before the Knapp Commission in 1972 McAlary tells the compelling story of a rare untainted police officer named Det Sgt Joseph Trimboli a man willing to sacrifice everything to put a rogue cop away Photo insert **Bad Cop** Paul Bacon, 2009-07-01 In 2001 Paul Bacon was a typical young guy in New York overeducated liberal hip a little aimless But when 9/11 came he was galvanized into action Feeling that he had to do something to help his fellow man he raced to Ground Zero where he stood around for several days before finally realizing that he had no skills that were of any use in a crisis So he applied to the fire department and was summarily rejected he was too old they said and he couldn't do any pull ups So he decided to take what was available to him He joined the NYPD **Bad Cop** is Bacon's hilarious and thoughtful memoir of his three years among New York's Finest Beginning with his tenure in the police academy where he's mostly interested in pursuing the lovely cadet Clarabel until he finds a surprising new love in the form of his service 357 it follows him through a reluctant apprenticeship and out onto the streets where the sensitive former graphic designer is transformed into a rough and tumble Harlem beat cop Brimming with great set pieces and amazing characters this is both a love letter and a send up of the squad that keeps New York safe sometimes **New York Magazine**, 1997-08-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and

food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **Circle of Six** Randy

Jurgensen, Robert Cea, 2007-09-01 The Mosque case of 1972 is the most famous case amongst the rank and file of the NYPD and Circle of Six holds no punches Joe Donnie Brasco Pistone former FBI special agent Circle of Six is the true story of what is perhaps the most notorious case in the history of the New York Police Department It details Randy Jurgensen's determined effort to bring to justice the murderer of Patrolman Phillip Cardillo who was shot and killed inside Harlem's Mosque 7 in 1972 in the midst of an all out assault on the NYPD from the Black Liberation Army The New York of this era was a place not unlike the Wild West in which cops and criminals shot it out on a daily basis Despite the mayhem on the streets and the Machiavellian corridors of Mayor Lindsay's City Hall Detective Jurgensen single handedly took on the Black Liberation Army the Nation of Islam NYPD brass and City Hall capturing Cardillo's killer Lewis 17X Dupree He broke the case with an unlikely accomplice Foster 2X Thomas a member of the Nation of Islam who became Jurgensen's witness The relationship they formed during the time before trial gave each of the two men a greater perspective of the two sides in the street war and changed them forever In the end Jurgensen had to settle for a conviction on other charges and Dupree served a number of years The murder case is still officially unsolved In 2006 the NYPD re opened the case and it is once again an active investigation with full media attention The book has received acclaim from former New York City Police Commissioners Ray Kelly and William Bratton      **New York Cops Talk Back** Nicholas Alex, 1976-05-10      The Last Neighborhood Cops

Gregory Holcomb Umbach, 2011 In recent years community policing has transformed American law enforcement by promising to build trust between citizens and officers Today three quarters of American police departments claim to embrace the strategy But decades before the phrase was coined the New York City Housing Authority Police Department HAPD had pioneered community based crime fighting strategies The Last Neighborhood Cops reveals the forgotten history of the residents and cops who forged community policing in the public housing complexes of New York City during the second half of the twentieth century Through a combination of poignant storytelling and historical analysis Fritz Umbach draws on buried and confidential police records and voices of retired officers and older residents to help explore the rise and fall of the HAPD's community based strategy while questioning its tactical effectiveness The result is a unique perspective on contemporary debates of community policing and historical developments chronicling the influence of poor and working class populations on public policy making      New York's Finest Michael Daly, 2021-12-07 The gritty true blue story of two remarkable cops and an equally extraordinary nurse who provided the spirit and smarts that transformed Fear City into the safest big city in America NEW YORK'S FINEST is the story of a city's transformation through the tireless efforts of Detective Steven McDonald Nurse Justiniano Jack Maple and a host of hero cops including the great niece of Jazz Age great Josephine Baker the finest of The Finest The son and grandson of cops Officer McDonald was shot and paralyzed from the neck down

while on patrol in 1986 The doctors said that if he did survive he would be better off dead It was then he came under the care of one Nurse Nina Justiniano Where the teenage gunman was produced by the worst of Harlem s social ills she personified its many graces rescuing Steven from despair and urging him to transcend hate and bitterness McDonald was then promoted to detective at the urging of NYPD Deputy Commissioner Jack Maple a postal worker s son who sported a bow tie Homburg hat and two tone shoes as he implemented transformative crime fighting strategies to deter violent subway robberies Coming up in the force Maple had been routinely mocked for imagining the impossible that Times Square would one day be a destination for families and tourists Now resentments and tensions are mounting in the same neighborhoods that most benefited from the careful consideration of officers like McDonald and Maple But as NEW YORK S FINEST illustrates their legacies and those of people like Nurse Justiniano may well rescue New York City from its present state of unrest and struggle in the wake of protests and the pandemic

*Street Justice* Marilynn S. Johnson,2004-10-31 *Street Justice* traces the stunning history of police brutality in New York City and the antibrutality movements that sought to eradicate it from just after the Civil War through the present New York s experience with police brutality dates back to the founding of the force and has shown itself in various forms ever since From late nineteenth century clubbing the routine bludgeoning of citizens by patrolmen with nightsticks to the emergence of the third degree made notorious by gangster movies from the violent mass action policing of political dissidents during periods of social unrest such as the 1930s and 1960s to the tumultuous days following September 11 Yet throughout this varied history the victims of police violence have remained remarkably similar they have been predominantly poor and working class and more often than not they have been minorities Johnson compellingly argues that the culture of policing will only be changed when enough sustained political pressure and farsighted thinking about law enforcement is brought to bear on the problem

*Black Cop* Richard Lewis,1996 The true story of how Richie Lewis a boy from the housing projects of New York City went on to become Detective Richard Lewis the most highly decorated police officer in the history of New York City Richard speaks out against the racism that still exists in America within police departments He relates how he and other black police officers were repeatedly denied promotions and were even treated like criminals themselves by some white cops

**The New York Police, Colonial Times to 1901** James F. Richardson,1970

**Once a Cop** Corey Pegues,2016-05-24 New York City Book Awards Hornblower Award Winner African American Literary Award Winner for Best Biography Memoir As a youth Corey Pegues was a criminal As an adult he became a high ranking police officer In this fascinating look at life on both sides of the law Corey Pegues opens up about why he joined the New York Police Department after years as a drug dealer Pegues speaks honestly about the poor choices he made while coming of age in New York City during the height of the crack epidemic He s equally candid about why he turned his life around and takes you inside the NYPD where he becomes a decorated officer despite bureaucratic pitfalls and discriminatory practices Written with the voice and panache of someone who knows the streets *Once a Cop* is a credible and

informative look at the forces that lead some into a life of crime and what it means to make good on a second chance      **The**  
**Encyclopedia of Police Science** Jack R. Greene, 2007 First published in 1996 this work covers all the major sectors of  
policing in the United States Political events such as the terrorist attacks of September 11 2001 have created new policing  
needs while affecting public opinion about law enforcement This third edition of the Encyclopedia examines the theoretical  
and practical aspects of law enforcement discussing past and present practices      Bulletin of the New York Public Library  
New York Public Library, 1921 Includes its Report 1896 19

When somebody should go to the ebook stores, search opening by shop, shelf by shelf, it is in fact problematic. This is why we offer the ebook compilations in this website. It will totally ease you to see guide **New York Cop** as you such as.

### **New York Cop Introduction**

In today's digital age, the availability of New York Cop books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New York Cop books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New York Cop books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New York Cop versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New York Cop books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New York Cop books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New York Cop books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New York Cop books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New York Cop books and manuals for download and embark on your journey of knowledge?

## **FAQs About New York Cop Books**

1. Where can I buy New York Cop books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a New York Cop book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of New York Cop books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are New York Cop audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read New York Cop books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
