## New York's Bravest:

New York's Bravest Mary Pope Osborne,2006-08-22 In the 1840s there was a real volunteer firefighter named Mose Humphreys whose bravery was reknown throughout New York City Plays about him began being performed on Broadway in 1848 and over the years his strength and heroics took on larger than life proportions much like those of Paul Bunyan Mary Pope Osborne has honed down the legends about him to a brief dramatic sometimes comical but ultimately moving text of picture book length Steve Johnson and Lou Fancher s stunning paintings capture this 8 foot tall superhero rushing into burning buildings saving babies and bankers and wolfing down the feasts bestowed upon him by the grateful citizens of old New York until the one big hotel fire after which he was never seen again The author has included a historical note about the origins of this tall tale and the book is dedicated to the 343 New York City firefighters who gave their lives to save others on September 11 2001 Mary Pope Osborne included a longer different version of this legend in her distinguished collection American Tall Tales     FDNY George Hall,1984     *New York's Bravest* Thomas Barry,1987     **Firefight** Ginger Adams

**The Big Necessity** Rose George,2009-07-07 An extraordinary look at the stubborn problem of human waste disposal Among the best nonfiction books of the new millennium The New York Times Acclaimed as valuable and often entertaining Los Angeles Times The Big Necessity defies the taboo on bodily waste something common to all and as natural as breathing We prefer not to talk about it but we should even those of us who take care of our business in pristine sanitary conditions Disease spread by waste kills more people worldwide every year than any other single cause of death Even in America nearly two million people have no access to an indoor toilet Yet the subject remains unmentionable Moving from the underground sewers of Paris London and New York an infrastructure disaster waiting to happen to an Indian slum where ten toilets are shared by 60 000 people The Big Necessity breaks the silence revealing everything that matters about how people do and don t deal with their own waste With razor sharp wit and crusading urgency mixing levity with gravity Rose George has turned the subject we like to avoid into a cause with the most serious of consequences One smart book delving deep into the history and implications of a daily act that dare not speak its name Newsweek Makes a passionate argument for putting sanitation at the top of the world s development agenda Time With irreverence and pungent detail George breaks the embarrassed silence over the economic political social and environmental problems of human waste disposal Full of fascinating facts an intrepid erudite and entertaining journey through the public consequences of this most private behavior Publishers Weekly starred review     New York's Bravest Patrice O'Shaughnessy,2002-12-30 On Sept 11 the world was

Lisa K. Drucker,2012-05-08 September 11 2001 is starting off like any other day By 5 15 a m Cameron Burke a Vietnam vet and member of the military intelligence special operations unit is running along the Potomac As he completes his run and mentally plans his day Cameron has no idea that in mere hours everything will change not only for him but for everyone in the world After realizing he has already cheated death by not arriving at the Pentagon early that morning Cameron receives orders from the President to find who committed the catastrophic terrorist acts against the United States Meanwhile as New York Times reporter Josselyn Jeffrey slowly makes her way through the horror as the South Tower falls she only has one regret in life losing Cameron the love of her life As Cameron and Josselyn muddle their way through the aftermath they each recall their moments shared together and the years they lived apart Now only time will tell if destiny and a life changing tragedy have the power to bring the two lovers together once again Arise O Phoenix is a story of loves indomitable power and the triumph of the human spirit that both rise from the ashes of 9 11 to remind us all of the only things that truly matter in life **New York** George Herbert Fosdike Nichols,1928 **Seeing Straight** Jean Halley,Amy Eshleman,2016-11-29 Seeing

Straight introduces students to key concepts in gender and sexuality through the lens of privilege and power After an accessible overview the book asks students to examine the privilege inherent in approaching heterosexual and cisgender identities as normal as well as the problems of treating queer gender and sexuality as abnormal Compelling real life examples illustrate theory and empirical research revealing phenomena that shape not only students own lives but also their communities their country and the field of gender studies itself The book addresses tough topics like hate violence and privilege and it also considers institutionalized heteronormativity through the military law religion and more The book ends with a chapter called It s Getting Better that presents evidence for queer hope and courage Filled with compelling true stories this book is an ideal introduction to gender and sexuality that encourages students to question their own assumptions

Call the Fire Brigade! Allan Grice,2012-08-30 Working as a fireman in London s East End during the early 1970s was no easy ride In the years before workplace health and safety legislation had started to exert its grip Allan Grice had to cut his fire and rescue teeth without the advantages of a breathing apparatus for each member of his crew Back then the time tested strategy was to get in to crawl below the intense heat and eat the thick smoke in order to locate a missing child or to halt a rapidly spreading inferno In Call the Fire Brigade Grice recounts his most memorable experiences as a front line member of

the London Fire Brigade working the city's East End with its myriad commercial premises brooding Thames side warehouses seedy tenements and colourful cosmopolitan community ranging from prosperous manufacturers to down and out winos with their body warming bonfires in derelict houses Fires in factories tenements and warehouses and non fire emergencies such as the Moorgate Tube disaster of 1975 are graphically described while the elation of rescue the sadness of being too late to save lives and the warm camaraderie of fire crews during some of the capital's busiest peacetime years are vividly depicted

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him.
