NYPD True George Norris, 2021-04-28 Six thousand New Yorkers shot and another two thousand killed each year this was the way of life in New York City during the late 1980s and early 1990s The city was losing the war on drugs The epicenter of New York City's crack trade was Southeast Queens where the Supreme Team and their associates had ruled through intimidation and violence The crack epidemic and crack wars which followed wreaked havoc of the citizens of those neighborhoods Having worked in Southeast Queens during the crack era George Norris witnessed firsthand the decay brought to the community NYPD TRUE is told through a series of anecdotes and short stories ranging from comical to dangerous This autobiography combines the history of the Southeast Queens crack trade the NYPD and war stories from one of the NYPD's most decorated officers *N.y.p.d. Y. P. D. True** Anonymous, 2005-06-27 N Y P D True The Decay of the Big Apple's Police Department is not a book praising the New York City Police Department and how adventurous it is to be a NYPD cop In fact information written in this book are things that many newspapers ranking members of the Department and regular police

officers would not talk about in a public forum for fear of the repercussions that would face them However it is a book about the truth and the inner workings of the job It is a book about the chaos and disorder that REAL COPS who work for this bureaucracy have to face everyday It is a tribute to those who have been wronged and their families who stuck by them when the Department wouldn't This book is authentic It shows the realities of the NYPD by one of its own in a unique fashion It's not about specific cases but rather the NYPD and its injustices as a whole It is truthful and raw and will offer the reader an accurate glimpse into the everyday operations within the NYPD For young people who are thinking about making a career with the NYPD this is a must read You will extract information from these pages that you will not hear on the radio television or NYPD recruitment promos It is the NYPD's dark and dirty secrets they withhold from the general public by Nazi like tactics and Byzantine outdated rules of the NYPD's Patrol Guide To the skeptics who don't believe the truthfulness and veracity of such information as presented in this book I tell them this next time you see a REAL New York City police officer ask them if what I say is true If you are speaking to a REAL cop their reply will undeniably be 100% true **The Job** Steve Osborne, 2016-03-22 A nice quiet night During his two decades on the force if you asked NYPD officer Steve Osborne how things were going that's what he'd tell you On a stakeout Nice quiet night Drive by shooting Nice quiet night Now with **The Job** he's ready to talk and does he have some stories to tell Most civilians get their information about police work from television shows which are pure fantasy Here Osborne takes us into his world the gritty and not so glamorous life of real street cops And along the way he finds humor and soul searching humanity in the most unlikely places For anyone interested in knowing what a cop's life is all about this is a must read *Prince of the City* Robert Daley, 1981 In the early 1970's the Federal Government undertook to investigate corruption penetrating the entire criminal justice system in New York City particularly the Special Investigations Unit SIU of the Narcotics division of the NYPD Young and enthusiastic Detective Robert Leuci was chosen by Federal prosecutors Rudolf Giuliani Maurice Nadjari and Tom Puccio to probe this world of corruption as an undercover agent Operating in deep cover with only the prosecutors and the Police Commissioner aware of his dual role Leuci walked a tightrope that made his life a nightmare He was in mortal danger from both sides In a world where conflicting pressures are excruciating who should bear the burden of being right when so much of the system is wrong

NYPD Green Luke Waters, 2015-04-16 Luke Waters had more than 20 years on the job What he saw what he heard and what he did will make you sit up stay up and keep reading and that's only what he can tell you Ed Conlon Bestselling Author of *Blue Blood* Finglas native Luke Waters dreamed of following his grandfather and brother into An Garda Síochána until as for so many other Irish men and women in the 1980s America beckoned But Luke never lost sight of his dream and in spite of the hurdles he had to overcome in August 1993 he joined the ranks of New York's finest As Waters rose through the ranks to become a homicide detective in one of the toughest places in the world The Bronx he would see the best and the worst the heroism of fellow detectives the ravages of crack cocaine and the terrible fallout of 9/11 NYPD Green is a no holds barred

account of the people and the cases but also an insight into the dark side of a job where corruption and bravery often go hand in hand The story of an Irishman made good of the American dream NYPD Green also pays tribute to one of the hardest jobs there is Circle of Six Randy Jurgensen,Robert Cea,2007-09-01 The Mosque case of 1972 is the most famous case amongst the rank and file of the NYPD and Circle of Six holds no punches Joe Donnie Brasco Pistone former FBI special agent Circle of Six is the true story of what is perhaps the most notorious case in the history of the New York Police Department It details Randy Jurgensen s determined effort to bring to justice the murderer of Patrolman Phillip Cardillo who was shot and killed inside Harlem s Mosque 7 in 1972 in the midst of an all out assault on the NYPD from the Black Liberation Army The New York of this era was a place not unlike the Wild West in which cops and criminals shot it out on a daily basis Despite the mayhem on the streets and the Machiavellian corridors of Mayor Lindsay s City Hall Detective Jurgensen single handedly took on the Black Liberation Army the Nation of Islam NYPD brass and City Hall capturing Cardillo s killer Lewis 17X Dupree He broke the case with an unlikely accomplice Foster 2X Thomas a member of the Nation of Islam who became Jurgensen s witness The relationship they formed during the time before trial gave each of the two men a greater perspective of the two sides in the street war and changed them forever In the end Jurgensen had to settle for a conviction on other charges and Dupree served a number of years The murder case is still officially unsolved In 2006 the NYPD re opened the case and it is once again an active investigation with full media attention The book has received acclaim from former New York City Police Commissioners Ray Kelly and William Bratton *Reawakening America: Leadership, Vigilance, and Collaboration* Vincent J.
