Llorens,2024-01-18 You are in possession of one of humanity's most ever jealously guarded treasures This knowledge has been passed down not through written words but verbally through the ages Since ancient times men have insatiably searched for answers and during the early days of our consciousness on this planet we had a much purer mind and body which allowed us to discern things better with more agility and clarity during which we were able to gain awareness of how certain things work especially how we interact with ourselves and our environment The discoveries were amazing divine and magical to be conservative Those discoveries changed the course of humanity forever The knowledge was so powerful that it was never written in an effort to ensure that only a few would receive it verbally At a certain point these jealously guarded secrets were controlled by secret societies whose societies are composed of the most powerful individuals on earth called the elite class and the minority who believes that everyone should have access to this knowledge they decided to share it and now you have in your hands something very difficult to describe its true value With this knowledge if you apply it you have the power to transform your life forever Discover your inborn inherited Divine secret abilities within you With this knowledge and its power may you never be the same KT Respectfully and with true and honest love for your success Carlos A Llorens Estas en posesión de uno de los tesoros celosamente guardados de los humanos Este conocimiento ha sido transmitido no escrito sino verbalmente a través de los siglos Desde la antigüedad los hombres han buscado insaciablemente respuestas y durante los primeros tiempos de nuestra conciencia en este planeta teníamos una mente y un cuerpo mucho más puros lo que nos permitió discernir mejor las cosas con más agilidad y claridad durante los cuales pudimos obtener la conciencia de cómo funcionan ciertas cosas especialmente cómo interactuamos con nosotros mismos y nuestro entorno los descubrimientos fueron asombrosos divinos y mágicos para ser
