Luxe, *Revelle*'s star of her family's fantastical show, knows the splendor is just an illusion. With Prohibition threatening their livelihood, her family struggles to make a living watering down champagne and patching holes in their sequined costumes. So when the son of Charmant's wealthiest family makes her an offer, everything the *Revelles* need to stay in business in exchange for posing as his girl and helping him become mayor, she can't refuse. The moment Jamison Port sets foot in Charmant, he can't shake the feeling of familiarity. An orphan with as few memories as gemstones, he's desperate to learn what happened to his parents. But as he delves into the island's secrets, he risks angering the wrong person and discovering a truth that just might break his heart. When Luxe and Jamison accidentally meet, the sparks that fly are more than her magical enchantments.
