Occupied Territory:

Protection of the Environment under International Law during Occupation Waad Abualrob, 2024-12-09 This book examines the relationship between International Environmental Law and Human Rights Law regarding the protection of the environment in times of occupation. Times of occupation create a tangible threat to the environment alongside human animal and plant rights. This book uses international law to grapple with unprecedented environmental challenges from water air and soil pollution and severe damage to natural resources to the complexities of regulating emerging environmental challenges during extraordinary situations. Using international case studies alongside the prominent and evolving role of international law agreements in particular Multilateral Environmental Agreements MEAs this book offers a comprehensive analysis of the legal tools available to navigate environmental challenges under occupation. The book also discusses occupying power obligations under public international law and the demands of protecting the environment in occupied territory. The book provides a valuable resource for researchers in the field of environmental law human rights law and humanitarian law.

The Handbook of International Humanitarian Law Dieter Fleck, 2021-02-25 The Handbook of International Humanitarian Law sets out a black letter text of international humanitarian law accompanied by case analysis and extensive explanatory commentary by a team of distinguished and internationally renowned experts. This is the fourth edition of this influential and comprehensive handbook. It has been extensively updated and revised taking into account recent legal developments such as the 2017 Nuclear Weapons Prohibition Treaty as well as the ongoing debate on many old and new issues. Areas covered by the book include the notion of direct participation in hostilities air and missile warfare military operations in outer space military cyber operations belligerent occupation operational detention and the protection of the environment in relation to armed conflict. The continuing need to consider borderline issues of the law of armed conflict as well as the interplay of international humanitarian law human rights law and other branches of international law is highlighted. This Handbook provides an in depth understanding of the development and current problems of the law of armed conflicts. It considers legal and policy issues both from the views of academics and military and diplomatic practitioners. Finally and most importantly it offers a complete account of activities that should be taken to improve the implementation and enforcement of international humanitarian law.

Armed Conflict and Displacement Mélanie Jacques, 2012-09-20 A detailed analysis of contemporary issues relating to international humanitarian law and its interplay with war migrants.
